Visitors to the county need a place in which to find out about the sites and attractions in the area. The Visitors Center will provide a focal point for answering travelers questions and giving out information. With the help of the Fiscal Court the Tourism Division has found a future home.

KSP REPORT

Kentucky State Police report information to be provided by Public Affairs Officer Jim DeBanks of the Dry Ridge Post of the Kentucky State Police.

Editor:
Recently, Mr. Charles A. Gates and family presented four interesting items to our Division of Special Collections and Archives.

Editor:
Noble builder's Fifth School Reader published about 1875 in Louisville by John P. Morton was a most welcome addition to our holdings because we have the first four readers.

Editor:
In addition, there are two letters sent to Earl F. Alexander of Salt Lake by Fred M. Vinson and Alben W. Barkley concerning auto insurance, and operating on the late 1920's.

Editor:
The final piece of the Carlisle Democrat which he had not previously located for our state-wide Kentucky Newspaper Project.

Editor:
We are pleased to add these pieces to our Kentuckyiana holdings and are grateful to the Gates family for their thoughtful gift.
