Kentucky employment raises exceed in government

Employment in Kentucky rose in every sector except government in April...
Kentucky's civilian labor force estimate for April was 1,774,900...

Large increases in agriculture jobs are the norm this time of year because of spring planting...
Transportation, communication and utilities are agricultural jobs gain in April...

Unemployment statistics are based on estimates and are compiled to measure employment trends rather than actuality...
Kentucky's civilian labor force estimate for April was 1,774,900...

Trade gained momentum with 2,800 more jobs in April, mainly in automotive dealer services, restaurants, building and garden supply and department stores...
A 2,600 position increase in services was spread across health care, amusement and recreation, hotels and other lodging places...

Unemployment statistics are based on estimates and are compiled to measure employment trends rather than actuality...
Kentucky's civilian labor force estimate for April was 1,774,900...

The U.S. Department of Labor estimates that Kentucky's job market in April, based on census surveys, was with most of the gain in retail...
"Construction rose 2,200... with most of the gain in retail... and highway repair, and other construction," he said...
