Nicholas County veterans apply for bonus checks

Nicholas County had 133 thirds of the Bonus checks, veterans of a reported 170 county-wide apply for their Vietnam Era Veterans Bonus as of the February 28, 1990 deadline.

Of these 133 applicants, 83 have been approved for payment and have already received their Vietnam Veterans Bonus. The average bonus payable on applications processed to date is \$375.

When you consider the fact that every dollar circulates and averages of four times in the local economy before leaving, then the economic impact on the local economy increases dramatically.

Larry Arnett, Director of the division of veterans affairs, was "extremely pleased" with the more than expected response rate. "The numbers we ended the application period with are definitely surprising," said Arnett. "At the most we expected to received 85,000 applications. When it was all done we had received more than 101,000 applications with 28,000 of these coming in the last sixty days of the application period."

To date the Bonus Branch has mailed out about two

To Nicholas County:

My family and I would like to thank everyone for their support during the past election for State Representative. Your friendship, kindness, and hospitality make a long campaign a rewarding and an enjoyable experience.

Many of you, in many ways, made special efforts and contributions with no thoughts of personal gain. Our appreciation for you and your special help will never end. We are very fortunate to have, and to have made, so many close friends. Feel free to call on us at any time.

To the family and supporters of Adrian Arnold we offer our best wishes and congratulations.

We are looking forward to a future of friendship with all of you.

Thank you,
 Tom, Stephanie, Emily and Thomas Hogge
