What Jesus Taught

By George L. Rogers

Our Lord Jesus Christ had many favorable opinions about the people of this world.

What a better world this would be which he loved so dearly.

What did Christ's disciples think of him? They were with him, they knew him.

What did Jesus think of Christ? He told him for thirty pieces of silver, but later he was crucified.

What did Jesus think of the world? He said, "I have wept because I have beheld the innocents being devoured."

What did Jesus think of the church? He said, "I will build my church, and the gates of hell shall not prevail against it."

What did Jesus think of his disciples? He said, "I have chosen them, and their own destruction at the hands of their enemies."
