GENERAL NEWS

Kentucky State Police Trooper Tim Layne investigated a single vehicle injury accident, May 20, at 3:30 p.m. The accident occurred one mile east of Ellisville on US 68. The driver involved was Charles Stancer, 42, Wheelersville, Ohio operating a 1988 Chevrolet. According to police, injuries were apparently slight, but the car apparently skidded on wet roads and ended up in a creek bed.

Hall takes third place

Nicholas County graduate Heather Hall took third place in the International Science and Engineering Fair in Tulsa, Oklahoma May 12, and placed second in the National Science Symposium in Huntsville, Alabama.
Hall, recipient of the Compton Scholar Award, four-year scholarship to Washington University in St. Louis, Missouri. The award is given to only three life-science majors in the country.
Hall qualified for national science competition when she took first place honors in both the Louisville Science Symposium and the Northeast Regional Science Fair at Morehead State University earlier this spring.
In National competition at Alabama, Hall presented her research in immunology in hopes of attaining the grand prize, a trip to London to attend the International Science Symposium, one of the most prestigious science colloquia in the world. As second place, award winner in the category of medicine and physiology, Hall is an alternate for the London trip and received a monetary scholarship.

United States and student representatives from 11 countries.
For her award, Hall received \$200.
Both competitions represent the highest level of academic achievement in the sciences possible in the United States.
KY 1285 to close
According to John Keith, Chief District Engineer, the Kentucky Transportation Cabinet plans to remove existing non-functional culverts and replace with w/culverts located on KY 1285.
Work will be done by State Forces. It will be necessary to close KY 1285 at this location on June 4 through June 8, 1990 for approximately one week. A detour will be provided via KY 36 to Morefield and KY 57 to East Union.
The Kentucky Transportation Cabinet requests the inconvenience to the traveling public; however, the replacement of this culvert will provide many years of service to the traveling public in this area.

What Jesus Taught
By George L. Rogers
Jesus, the Son of God, is described in the Bible as being both God and man, and with His blood we are cleansed from our sins. The blood of Christ is the source of life, and if we meet His conditions of pardon, He will wash away our sins.
The Bible says that Jesus Christ is the Son of God, and that He is the only one who can save us from our sins.
The Bible says that Jesus Christ is the Son of God, and that He is the only one who can save us from our sins.
The Bible says that Jesus Christ is the Son of God, and that He is the only one who can save us from our sins.
