The Carlisle Mercury/Soil Conservation District Photo

The 47th annual Kentucky Association of Conservation Districts' convention was held August 5-7 at the Executive Inn Rivermont in Owensboro. District supervisors and wives attending from Nicholas County were: Mr. and Mrs. Edgar Darnell, Mr. and Mrs. Stanley Alexander, Mr. and Mrs. Lovell Hollar, Mr. and Mrs. Grgines Bussell, Mr. and Mrs. Rodney Brookshire, and Mr. and Mrs. Allen Hamon. In another action taken by supervisors, the group decided to erect a sign in front of the district's headquarters, located at 605 Moorefield Road in Carlisle. The sign recognizes all agencies housed in the building.

Workers cover booked tobacco with plastic to attempt to keep it in case. Many farms in Nicholas County and the surrounding area began stripping tobacco last week as the wet weather brought the burley tobacco in season. This photo was taken at Douglas and Brookie George's farm on Dixie Highway.

KHC selected to receive funding

Ginger Van Ness, Acting Manager of the Kentucky Office of the U. S. Department of Housing and Urban Development (HUD) announced that the Kentucky Housing Corporation (KHC) has been selected to receive $226,740 under the Section 8 Housing Certificate Program. This funding will provide housing certificates, over a five-year period, for 13 eligible families in Nicholas and Powell counties. KHC currently administers Section 8 Programs for 2270 families statewide.

This funding will provide low-income families access to the private housing market, offering them freedom of choice to select the neighborhood and type of housing in which they would like to live. The family receives federal rental subsidy which represents the difference between an average monthly rent, including basic utility consumption for a particular area, and 30 percent of the family's monthly income. Types of housing families may rent include duplexes, single family homes, mobile homes or apartments.

Ms. Van Ness stated, "This rental assistance is clearly needed, and we are very pleased to be able to assist in providing decent and safe housing for an additional 13 families in these counties."

During fiscal year 1990, the Kentucky HUD Office allocated $19,747,960, for a five-year period, to fund housing vouchers and certificates for an additional 916 families across the Commonwealth.

Nicholas County rolls to 36-6 win at Lewis County

By Tim Jones
The Carlisle Mercury Staff

VANCEBURG — The Nicholas County Bluejackets made the long trip east worthwhile as they demolished the Lewis County Lions 36-6 in high school football action Thursday night.

The game was played on a cool, almost cold, night, on a poorly lighted field. The contest was marked by the outside running of Raymond Brown and the total dominance of the Nicholas County defense.

Nicholas County won the opening coin toss and elected to receive to start the second half. The Bluejackets kick off to Lewis County and the Lion return man caught the ball at the 34 and returned it two yards to the 36 yard line.

Lewis County's first play from scrimmage was an off tackle play good for only two yards. The second down play was stopped dead in its tracks by senior defensive end Billy Clemons. A third and nine halfback option pass was incomplete and the home team was forced to punt.

The Bluejackets were called for a roughing the kicker penalty on the punt, however. The ball was moved to the fifty.

Lewis County ran into the Bluejacket defense again on first down and gained nothing. On second down, the Lions tried an option and lost five yards. On third and 15 Jebron Farah came up from his cornerback slot and took the option away with a good tackle of the Lewis County quarterback.

An illegal procedure penalty on the Lions moved the ball back five yards.

Bluejackets take early lead

The Lewis County punt attempt turned into disaster. The snap was low and the punter fumbled the ball and attempted to scramble away. He was tackled on the Lewis County forty and the Nicholas offense took control of the ball.

Raymond Brown took the hand off on the Bluejackets first offensive play and burst down the right side for 32 yards. The ball was spotted at the eight and Nicholas County bulled their way forward to the two yard line in three plays.

Facing fourth and two, midway through the first quarter, Nicholas County went for the touchdown. Raymond Brown followed the right side of the line in the end zone. The point after kick was no good and Nicholas County led 6-0 with 5:17 left in the first quarter.

Lewis County received the ensuing kick off and caught the bouncing ball on the 35 yard line. The return man brought it out to the 43 and Lewis County's offense came on the field.

A dive up the middle gained nothing. A second down option lost two yards. Third down was even worse as the Lion quarterback muffed the snap and Nicholas County recovered on the Lewis County 38 yard line.

Nicholas County's initial dive gained only two yards. On second down, Raymond Brown ran outside again for a gain of 23 yards, placing the ball on the Lewis 15 yard line.

Nicholas County quickly scored. Shawn Bussell ran up the middle for three yards and Kevin Morris picked up 12 more for the touchdown. The two point conversion was a pass from Daniel Brown to Travis Sims and was good. Nicholas County led 14-0 with 1:43 left in the first frame.

Lewis County received yet its third kick off of the night and returned it to the 42 yard line. A gain of seven by the Lions was followed by two running plays for three yards. Facing fourth and one from their own 39 the Lions went for the first down and got it with 3:00 left in the first half.

The Lions good fortune was short lived however. Kevin Morris intercepted a pass on the next play and Nicholas County regained the ball on the Lewis County 49 yard line.

Raymond Brown, running well all night, quickly streaked outside for a 45 yard run. A clip on Nicholas County brought the ball back to 38 yard line.

From the 38, a couple of small gains and a sack forced Nicholas County to punt. Sophomore Brian Ockerman blasted the punt 43 yards and Lewis County took possession.

Lewis County tried a couple of desperation passes but both fell incomplete. The teams went to halftime with the score 22-0 Nicholas County.

Continued on Page 10

The game quickly became a rouse in the second half. Nicholas County committed two turnovers on early second half drives. The Bluejackets did score on defense when Travis Sims intercepted an option pass and rumbled into the end zone, dragging a couple of would be tacklers across the goal line. The tow point conversion was good and Nicholas County led 30-0 with 2:06 left in the third quarter.

Lewis County finally got on the board. in the fourth quarter. The
