NCHS baseball team off to a fine 8-2 start

The days before and during spring break were productive for the Nicholas County baseball team, as the hardball unit has fashioned a fine 8-2 mark through last Saturday's action.

Nicholas County exploded for eight runs in the first two innings and coasted to a 12-2 win.

Jarrod Wills picked up the win for NCHS.

Travis Sims hammered three hits and had four runs batted in, as did Wills in the winning effort.

In the second game of the twinbill with Pendleton County, the Wildcats failed to score as NCHS plated a run in the first and second and added five in the fourth to take a 7-0 win.

Brad Brierly went five innings for the win as Bradley Trussell came on in relief. The pitching duo allowed Pendleton County no hits, and no runs.

Brierly had two hits and Sims again led the charge with three hits and three runs batted in.

During spring break the Jackets played in a 10 team tournament in Danville.

In the tourney opener for the Jackets, Nicholas County took a 7-1 lead after two innings and went on to take a 12-2 decision.

David Sibert scattered five hits and two runs in going the distance for the win.

Sims had two home runs and five runs batted in for the Jackets. Kevin Morris had two hits, Daniel Brown had two hits, including a home run, Sibert had two hits and Mike Johnson had two hits and three runs batted in. One of Johnson's hit was a home run.

Nicholas' next action was a heart breaking loss to Danville.

After the Admirals had mounted a 6-0 lead after three innings, the Jackets began to chip away at the lead.

Nicholas County scored a single run in the top of the fourth.

After five innings Danville had a 7-1 lead.

Nicholas County erupted for seven runs in the sixth inning to take an 8-7 lead, but Danville scored five times in the bottom of the sixth to regain the lead, 12-8.

Nicholas County tied the score with a four run out burst in the top of the seventh, but the Admirals were able to take the win with a run in the bottom of the seventh.

Sims, Wills and Mike Cain all went to the hill for Nicholas County, with Cain taking the loss.

Sims had three hits, including two home runs, and four runs batted in, and Morris added three hits a home run and counted three runs batted in.

In the next action for Nicholas County, the Jackets used a six run sixth inning to wipe out a 5-3 Corbin lead and the Jackets went on to post a 12-9 win.

Daniel Brown earned the win to go to 2-0 on the year.

Sims had two home runs and three runs batted in and Johnson had two hits, including a home run and three runs batted in.

Brierly, Brown and Cain all had three hits.

Nicholas County continued to roll as Wills and Trussell combined for a six hitter in leading Nicholas County to a 12-2 win over Casey County.

Cain had two hits on four runs batted in, including a home run, as Brierly, Morris and Brown all had two hits.

In the finals of the Danville Invitational the Jackets ran into a very tough Glasgow team.

Glasgow scored twice in the top of the first and never trailed in taking a 6-1 decision.

Glasgow was a final four participant in last year's state tournament, and lost only one senior.

Matt Bowles, who pitched for Glasgow with an 88 miles per hour fastball has signed with U.K. Bowles has a 3-0 mark this year as Glasgow is a perfect 9-0.

In the Danville event Travis Sims hit a torrid nine of 15 for a .600 average. He had six home runs and 14 runs batted in.

Saturday afternoon Nicholas County swept a pair from Menifee County.

In game one, Nicholas scored twice in the first and second, and plated eight in the fourth to take the five inning decision, 12-0.

Sibert picked up the win as Brown had three hits and three runs batted in, Brierly had three hits including a home run and Wills had two hits.

In the second game Menifee County took a 5-0 lead after one-half inning, but Nicholas County scored twice in the bottom of the first and three in the third to tie the score.

The Jackets scored seven times in the fourth inning and two more in the sixth, while Menifee County could manage only one more run in its final six at bats and the Jackets posted a 14-6 win.

Brown had four hits, including three runs batted in, Sims also had four hits and two runs batted in.

Morris had a home run as one of his two hits and Wills also hit safely twice.

Three pitchers have at least two wins with Wills at 3-0 and Brown and Sibert 2-0 on the year.

Through 10 games Sims his hitting a team high .633, while Brown is .500.

Cain has a .384 batting average and other players and their averages are: Brierly (.371), Johnson (.350), Morris (.343), Wills (.321) and Sibert (.300).
