Jackets edge out Jessamine

By Josh Shepherd
The Nicholas County Blue Jackets edged out Jessamine County 66-64 in a basketball game Saturday night.

But Nicholas County came out full steam. Daniel Brown led the way with back-to-back three pointers to give Nicholas County an early 6-2 lead.

James Simons goes against a Jessamine defender Saturday night as the Jackets edged out Jessamine 66-64 in basketball action.

But on the inside, the Jackets couldn't generate the scores and at the 4:30 mark of the first quarter, Jessamine County took its first lead in the game off an underhanded layup from Robert Richards.

All five players gave their heart and soul to playing. Chris Jones and Bradley Brown came in to give some members a breather late in the first half and they handled themselves well. But for the most part, all by starting five played the entire game.

Jessamine County, which spent the previous season rebuilding its ranks back up to the state tournament standard, it had two years ago, came routed in a highly touted 1991 team.
