"This team is hard to play against because they run down the floor so quick and shoot the three pointer.

"The girls came off the bench and really helped out tonight.

"Renee Linville has been giving us a lot of help off the bench and we don't lose anything when she comes into the game.

"Tacy will go out every game work hard as she did tonight with eight rebounds, five steals, and three assists along with 22 points for a good balance."

"I have always said if you play hard good things with continue.
