ASK THE CHIROPRACTOR

Insurance Various life plans and policies of most insurance companies include chiropractic coverage. In recent years, most states have instituted insurance equality laws which require insurance companies to pay chiropractic doctors on an equal basis with all other primary health care providers including hospitals and other physicians. This includes the following:
Personal Health Insurance
Workers' Compensation
Unemployment Insurance
Personal Injury
Disability
Automobile Med Pay
Automobile No-Fault
Specific questions about your insurance coverage in either the United States or Canada may be directed to any local chiropractor.
