Bulldogs spoil finale

Continued from page 6

fense for a layup.The Bluejackets went to the break trailing by just five points, 57-52.

The fourth quarter was in the words of Coach Oakley, 'The highest scoring quarter I've watched in a long time."

The good news is the Bluejackets scored 24 fourth quarter points.

The bad news is that Maysville scored 31.

Maysville opened up the period with an 8-2 sgart, and the Jackets would never seriously threaten the Bulldogs the rest of the way.

Jarrod Wills did can a long three point shot on the left hand side. That basket pulled the Jackets back within nine points, 70-61, at the 5:13 mark.

Again, Orlando Myrick took control for his team, and the Jackets had problems keeping pace with the Bulldogs.

When Hilander broke away for a layup with 1:29 left in the game, the Jackets trailed by a score of 82-68.

The Bluejackets out scored the Bulldogs 8-6 down the stretch, but it was too little, too late.

When Jeremiah Jackson hit a pair of free trows for Maysville with 10 seconds left in the game, the score was 88-76.

Nicholas County could not answer, and the score held for the final margin.

Nicholas County was led by Brown's 28 points and Hilander's 17.

Wills also recorded double figures by hitting for 12 points.

Also getting on the baoks were Jamie Simons and Sims with six points each, David Sibert had four, and Shad Tibbs came away with a basket.

Coach Oakley said his team played hard, but the Bulldogs were just too quick for his Jackets.

"They got us to play their style of run and gun play, and we just couldn't keep up them.

We need to learn to be a little more patient."

Aftcr starting off the season with a 12-2 mark, the Jackets have slowed a bit, losing five of their last nine contests. Oakley said the competition has been tougher lately, and he looks for his Jackets to close out the season on the winning track.

Nicholas County's game at Prestonsburg was canceled Friday night because of the snowy weather. No attempt will be made to make the game up before the district tournament starts on February 26.

NCHS Basketball Boosters hold Little League Tournament

By William Million
The Carlisle Mercury Staff

CARLISLE - The Nicholas County Basketball Boosters held an invitational Little League tournament on February 16 and 17.

Teams from Nicholas, Harrison, and Fleming counties participated in the tournament.

Eight teams in all participated in the double elimination tournament.

The Harrison County Eagles took the title over the Harrison County Bruins by winning both games out of the loser's bracket.

The Hawks had the best showing of any Nicholas County team by finishing in third place.

The Fleming County 76'ers and the Nicholas County Little League Champion Rebels finished fourth and fifth respectively.

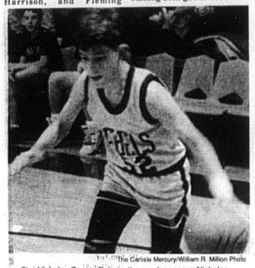
The Nicholas Demons finished in sixth place.

Also in the tournament were the Nicholas County Wildcats and the Harrison County Pistons. Both teams were eliminated in the first two rounds of play.

The Nicholas County Rebels' cheerleaders captured the title in the cheering competition.

All proceeds from the tournament go toward the Nicholas County High School basketball program.

Players and coaches of the Nicholas County Bluejackets served as referees and staffed the scorer's table.



The Nicholas County Rebels, the regular season Nicholas County Littl League Champions, came in fifth place in the NCHS Baketball Boosters Invitational Tournament.

CHECK THE WOODMEN DIFFERENCE

A 100-YEAR TRADITION

The Woodmen was founded in 1890. Today, many four- and five-generation families know of the many extra services that are traditional with the Woodmen. And one of the most important is service after the sale. In the Woodmen, every member has an assigned 'personal' Field Representative, a trained, experienced representative who is a part of a career agency system that is a tradition with the Woodmen.
