The Moorefield Homemakers Club met on Thursday, February 7, 1991, at the home of Louise Moreland, Moorefield Road. President, Elizabeth Billing, conducted all official business.
The team has not hosted a tournament, and travels all over the area to find competition.

Hunt lined up the tournament schedule, sent in the registrations, and lined up private transportation.
Hunt was not slowed by the fact that the team had no sponsor.
"The parents really helped me out. My freshman year, the team went to four tournaments, my junior year, six."
"When my junior year really started to get us play in 10 tournaments."
This year, the chess team has already competed in six tournaments, and Hunt says he plans on playing in several.
Hunt says the team is better now than it was before.
"Even though we only have four active members, the play is better. We're all serious about it, and we really want to compete well."
Nathan's individual records speak for themselves.
In just over three seasons, Hunt holds an 89-27 record, good enough for 3rd or 10th state-wide honor.
