play in the quarter tied the score at 47-47 to finish the third stanza.

Mathes gave Paris a 49-47 lead to open the quarter, but a Brown steal at mid-court turned into a layup for the crafty junior guard to tie the score. Brown hit a follow-up basket on Nicholas' next possession to put the hosts back in the lead, but a three point shot by Summer gave Paris the lead back.

Hilander hit in the lane for Nicholas County, but Byars drove the lane on a break-out to keep the one point advantage for Paris.

The Greyhounds went on top by two with a free throw from Byars with 2:41 to play in the game, but Brown hit a pair of free throws to tie the score, and Nicholas went ahead 57-55, when Brown stole the ball in the Paris lane, and drove the length of the floor on a four on none breakout, and Nicholas went ahead 57-55.

Summer worked cooly into the lane and canned a six foot shot to tie the score, but Wills countered on the Nicholas end with his baseline shot to boost the Jackets.

Paris actually tied the score on two free throws by Byars, but a lane violation on the second shot nullified the second free throw, and gave Nicholas the ball back with 29 seconds to play in the game.

Paris took a time out, but Nicholas County was able to get the ball inbounds, and with 18 seconds to go in the game, Mathes fouled Brown sending him to the line for two . . . and that makes the difference in any close game.

"Hopefully this loss will make our team better. We were patient, but we couldn't get the rebounds. A lot of things happen in a game and we just didn't execute when we needed to."

Nicholas County improved to 12-2 on the season with the win, while Paris tasted defeat for the third time in 11 games, falling to 8-3.

Alvin Sims led Paris with 16 points and Byars finished with 13.

The Jackets had only three players break into the scoring column.

Brown finished with a game high 31 points, while points.

Hilander had 21. Wills finished the game with nine

Lady Jackets win at Jessamine

By Sandy Gibbs
The Carlisle Mercury Staff

NICHOLASVILLE - The Nicholas County Lady Jackets defeated a tough Jessamine County Lady Colts team handily, 55-41, on a rainy Thursday evening

Nikki Smoot started the scoring for the Jackets hitting two free throws at six minutes in the first quarter.

Christie Hatton followed up Smoot's free throws with one of her own.

Kim Denkins took charge in the paint early with three successive rebounds and a blocked shot.

After this sequence of events Hatton scored two baskets in a row at 2:37 and 2:07 respectively. Denkins had a three point opportunity, after hitting a basket and drawing a foul, at 1:38 but missed the free throw.

The Lady Jackets led 15-13 at the end of the first.

Renee Linville scored at 7:05 in the second. When Nicholas got into foul trouble later Linville was to play a crucial and gutsy role.

Smoot scored with 6:08 left in the period.

Following a Smoot steal Hatton drew a foul and canned both free throws.

There was a long wait for the Lady Jackets' next points. Only tenacious Nicholas County defense kept the Lady Colts from getting back into the game. Smoot ended the drought with a basket at 1:45.

At that point the game had to be interrupted to allow Linville to leave with a bloody nose. Linville played with the injury for some time before a referee stopped the break neck action to allow a substitution.

Denkins score after a missed free throw at the buzzer put Nicholas up 31-19 at the half.

Denkins came out ready to play after intermission scoring 10 of Nicholas County's 12 points in the half. Kristi Barton scored the only other Lady Jacket basket at with two minutes left in the third frame.

Linville came in the game when Smoot drew her fourth foul. Her impact was immediate when she scored at 7:01 in the fourth.

Denkins scored after an Earlywine steal and followed that with another baskets at 6:10 and 5:24.

Hatton scored with five minutes left to give Nicholas a 19 point lead. This proved to be the longest Lady Jacket lead of the night.

Denkins scored Nicholas County's final basket with 1:20 left in the in the game.

In a play which typified the the Lady Jacket hustle all night Alicia Sibert entered the game and drew a foul after stealing an errant pass.

The final score was 55-41, Nicholas County.

Denkins led the Jackets with 20 points and 21 rebounds. Hatton kicked in with 13 points.

Smoot scored eight points despite being hampered with foul trouble.

Linville had six points in a reserve role. Earlywine had two points and Elizabeth Schanding added one.

Coach Barbara Kenney said that overall she was pleased with her team's effort.

"I think we played better than we have been and Jessamine is good shooting, well coached team."

Two from MMI to visit Ky. State

By William Mollette
The Carlisle Mercury Staff

MILLERSBURG — Millersburg Military Institute football standouts Randall Sykes and Brian Lamb will make an official visit to Kentucky State University.

The visit is scheduled before the national signing day, February 6. That is the day the nation's top prep football players will officially commit to the college of their choice.

Kentucky State University is a public, liberal arts oriented school located in Frankfort. The school participated in the NCAA Division II.

Sykes had an outstanding career at MMI. He rushed for 1600 yards and 20 touchdowns in two years for the Cadets, according to statistics provided by the school.

On defense he registered 150 tackles and 25 quarterback sacks.

The 6-foot-4, 280 pound senior is considered to be one the top players in the state, according to MMI Coach Bobby Hopkins.

Lamb played both offensive and defensive line for the Cadets in 1990. He registered 54 solo tackles and seven quarterback sacks. The 6-foot-4, 215 pound Cadet is being recruited for academic reasons as well as athletic. Lamb carries a perfect 4.0 grade point average while serving as student commander.

Hopkins said he feels that KSU would be perfect for his players, especially Sykes.

"There aren't many kids who can run 40 yards in 4.8 seconds, especially ones that weigh almost 300 pounds," Hopkins said of Sykes.

"I believe he can step onto the team and have an immediate impact."

Both Sykes and Lamb play for the basketball Cadets. Sykes leads the team in scoring with 32 points a game. Lamb is next with a 14 point average.

Sykes has been recruited by 10 major universities, including the University of Louisville, Morehead State, Tennessee, and Pittsburgh.

cholas County held a 22-14 lead at the first stop.

Brown opened the second quarter, just as he did the game, with a three point shot and followed with a free throw. Travis Sims found the lane and canned a up-in to give the Jackets a 28-14 advantage.

The teams played evenly the remainder of the second quarter, but a Hilander basket with two seconds to play in the quarter sent the teams to the lockerroom with Nicholas holding a 38-24 advantage.

In the third quarter, Nicholas County erased any doubt of who would win the game. Brown opened with a shot inside, Jamie Simms hit a basket from six feet, Shad Tibbs hit one of two free throws and as he missed the second one, Simons bolted in the lane to capture the rebound and put the ball back in for a 45-28 Nicholas County lead.

Brown hit a three pointers, Hilandes and Simons hit a basket each and with 2:55 to go in the quarter Nicholas County had built a 52-32 advantage.

Brown hit two free throws and Simons hit a layup and added a free throw on the play to lift the lead to 25, 57-32, and Tibbs hit with two seconds to go to counter a three point shot by Keith Piercy for Model to make it 59-35 at the third stop.

Model hit six of seven free throws in the last quarter toe to step in the game, as Nicholas County Head Coach Eddie Oakley used substitutes freely throughout the final eight minutes.

Brown finished with 18 for Nicholas County, as Hilander finished with 16.

Simons and David Sibert had nine points each, Tibbs had seven, Sims six, and Wills had five. Charles Nicholas rounded out scoring with three points for the Jackets.

Oakley is pleased with his team's performance to this point in the season.

"That's what we've been striving toward all year. Our team philosophy is team first.

"We keep trying to do things to be a good team.

"We have a saying that when you feel satisfied - improvement stops.

"We talked about out first half play at intermission, no matter who you play you must work on getting better.

"I told the players if we want to work toward winning the district and getting to the regional - some of the things we talked about before the season started - we have to strive to get better."

Simply put, Oakley said, "We have to turn things up a level and continue to work."
