

Messages To Service Personnel

Dear Servicemen:

It is not possible for us to be with you but you do not have to feel alone because God will be with you if you want. The not afraid neither be thus dismayed for the Lord thy God is with thee where ever thou goest. Joshua 1:9. In all of life's circumstances we are never out of reach of His love and grace. God is our refuge and strength a very present help in trouble. Psalm 46:1. We know that most of you are in situations that you never dreamed of when you enlisted. We all know that the evil force in Iraq must be stopped. We care deeply for you and we offer you our prayers. We support, respect, and stand behind you in the jobs you must do. Do not ever feel that we have forgotten you because we haven't. You are on our minds as we go about our everyday jobs. We pray that your goals will be accomplished and you can safely return home to families and friends.

If anyone knows of a service person that wants to receive mail from Kentucky, please write to this address and we will answer. We are thankful for you and we proud to be Americans.

In Christian love,
L.I.N. Youth Group
Locust Grove Baptist Church

To Our Servicemen:

Even though Carlisle is a small town our hearts are large. I sit and watch the news of the happenings in the Persian Gulf on TV, but I can't imagine how it feels to be there. The tragedy of war takes its toll on everyone. We fly the American flag and we tie yellow ribbons around anything standing still but we really want to put you on the back and shake your hand. I am proud of you and you have my support. Saddam Hussein is in the wrong and he will reap what he sows. You are doing a fine job and making the U.S. proud. Harry home and be safe! Just keep saying in your minds, "There is no place like Home."

A proud citizen of Carlisle,
Cathy Curtisinger

To all servicemen:

My Wishes
If I had a wish my wish would be for you
To be home with your family and friends.
If I had a wish my wish would be for us not to go to war.
If I had a wish my wish would be for you to come home soon.
If I had a wish my wish would be to have peace around the world.

If I had a wish my wish would be for us to have friends all over the world.
But my true wish would be that we don't go to war and you come home to your family safe and sound.

Dear Joe T. Hardwick:
Hi, Todd! Keep up the good work. God is our refuge and strength a very present help in trouble. Psalm 46:1. We know that most of you are in situations that you never dreamed of when you enlisted. We all know that the evil force in Iraq must be stopped. We care deeply for you and we offer you our prayers. We support, respect, and stand behind you in the jobs you must do. Do not ever feel that we have forgotten you because we haven't. You are on our minds as we go about our everyday jobs. We pray that your goals will be accomplished and you can safely return home to families and friends.

Dear Gregory A. Buckler:
Uncle Greg, we hope this is over real soon, and you have a safe return home. We love you.
Bill Golden and
Joey Wagener

Dear John and Don Dampier:
I want you both and all the other boys and girls from Carlisle who are serving in the war here to know how proud I am of you. I know your dad is very proud of you both. I have been watching all the news on Headline News. They have covered it all since it began. It is so amazing how different the war is being fought. I hope it will soon be over and you all will be back with your families. We all love you and will pray for your safe return home.
Best wishes,
Betty H. Burton

To All Servicemen:
My heart goes out to each of you. My hopes and prayers are with you. I support anything you have to do to come home safely and quickly.
Even people who protest the war, are in total support of each of you. We all know you are only doing what you are ordered to do. Please take care of yourselves and God speed home.
Love, Judy Dale

To all Servicemen:
You are the protector of our freedom and the protector of the freedoms of many other nations. Your giving and sacrifices are great and mine, and we are very appreciative.

We think of you constantly and pray for you continually. You have our unwavering support. We care. Good luck and thanks.
Rep. Adrian Arnold and
Delma Arnold

To all Servicemen:
We watch and listen for news of you constantly. Each one of you in our thoughts and prayers every minute. Every military reservist feels a special bond with you and your mission.
There may come a time when we will have the privilege of serving side by side. We can't think of a better group of young men and women with whom to serve.
Each time our family support group meets we pray for you and your safety, and we pray for the members of your individual families.
We are here for them while you are there for us. We shall do everything we can to comfort and support them.
Know every minute that those of us back home are thinking about you and praying for you.
Mr. and Mrs. Paul A. Hardin

To all Servicemen:
I love this old flag. It is our Freedom. Melvin and I feel sorry for our boys who are fighting for our freedom. If it wasn't for the USA this would be a bad place to live.
Love,
Lois and Melvin Fryman

To Gary Arthur Bourne II:
To my son Artie so brave and strong to go to a foreign land and to fight.
To fight for freedom that we think is right.
Over to foreign lands you roam and I know you are thinking of home.
We are afraid we will see you know more but our faith in the Lord will deliver you safe from this war.
What we are really trying to say is we love you and miss you more with each passing day.
Gary, Diane, Julie, Bourne and Melissa Henderson

Dear George,
I was sitting here thinking about you as always. So I thought I would drop a few lines to say that your big sister is always thinking about you and that I love you.
The whole family is proud of you. Just to know that you care enough about us and your country to be there fighting for all of us is something that not only touches our hearts but the hearts of everyone. Keep your spirits high and know that everyone is praying for this war to end soon. We love and cherish everything that you

and all the guy's and women are doing for our country. Keep up the Great Work.
Love Your Big Sis,
Sonya and Family

Cpl. Tony Bean:
Hi Tony! Greetings to you and your buddies from Carlisle, Ky. We hear you're having a heck of a fireworks show over there as you're kicking Iraqi butt. All jokes aside, keep up the good work. We miss you and hope you come home soon.
Love,
Zenith & Jeff

Dear Tony,
Hi, hope you're doing O.K. We miss you. Here is a poem for you and all the other brave men and women over in Saudia Arabia who are fighting for what you believe in.
Thank You For Caring
When someone takes the time to listen,
When someone reaches out,
When someone does a thoughtful thing
That makes you warm throughout,
When someone lends a helping hand,
Finds ways in which to share,
When someone makes you feel secure
By always being there,
When someone senses there are times
When you have special needs,
When someone gives you inner strength
Through words as well as deeds,
When someone seems to take an interest
In just how you're faring,
It's time to tell that special someone
Thanks so much for caring!
We're proud of the job you're doing! Kick their butts and come home. We love you!
Jeff, Wanda, Jeffery, & Brandon Tucker

To Ssgt. Kenneth Wade Alfrey:
Just a line to say hi and that we are thinking of you every day and you are in our hearts. Just wanted to let you know that we are behind you and your buddies and that you are always in our thoughts.
We Love You!
Edith, Mary Ann, Leahy & Jeremy
P. S. My best friend Tonya says hi and she wants you to know you're in her thoughts.
