Sheriff's ranch is rebounding in big way

After almost closing its doors in 1976, the Kentucky Sheriffs' Boys and Girls Ranch is rebounding in a big way!

The Honorable Order of Kentucky Colonels which provides money for charity has contributed a great deal for building purposes that will allow the Kentucky Sheriffs Ranch to build its third bunkhouse since 1984.

This new addition which will be officially dedicated on July 19, 1991 at 2 p.m. at the camp in Gilbertsville, will enable the Ranch to accommodate 150 children each week.

Ray Stoess, executive director since 1979, said that after the swimming pool was built in 1980 with the help of the Honorable Order of Kentucky Colonels, a new building has been added each year thereafter. A recreation activities building; the KSA and Ranch office in 1986; two new bunkhouses; a new home for sheriffs and deputies; a memorial pavilion; a storage building and now the new bunkhouse.

Stoess said during his first year as Ranch director there was only minimal interest in the Ranch since only a few sheriffs participated.

Now, the camp attracts 1,000 underprivileged boys and girls each summer and this summer could be a record breaker. Over 12,000 children have attended since 1979.

Stoess also stated that Senator Wendell H. Ford who has been instrumental in the early years by helping secure a grant, Congressman Carroll Hubbard, Governor Wallace Wilkinson, and Lt. Governor Brereton Jones have been invited to attend the dedication of the new bunkhouse.

For more information contact Helen Barter, Executive Secretary, (502) 362 - 8660 at the Sheriffs Camp.

Hamon is chosen to represent Nicholas 4-H

By Pam Bowles

Of The Carlisle Mercury

Mark Hamon was chosen to represent the Nicholas County 4-H group to Washington D.C to the National 4-H Council.

Hamon traveled to Washington D.C on March 30- April 5, 1991

The objectives of the trip were to develop a greater understanding and appreciation of the American heritage, increase the knowledge of national government, and gain inspiration to fulfill the responsibilities as a citizen.

There were several candidates qualified to attend the conference from Nicholas County, but Hamon was the only one to attend the conference.

He visited many educational sites while in Washington such as: National 4-H Center, National Zoological Park, Arlington National Cemetery, Saudi Arabian Embassy, Washington National Cathedral, Capitol Hill, National Air and Space Museum, Union Station, Old Executive Building (Office of the Vice-President), Mount Vernon, Shrine of the Immaculate Conception, Vietnam Veterans Memorial, Old Post Office Pavilion, Ford's Theater, Petersen House, National Archives, Smithsonian Institution, and Museum of American History.

The group formed a mock committee to form a solution for the drug problem in their community.

Hamon's group decided to build a civic center in the old YMCA building so the kids would have somewhere to go to keep them off the street.

The leaders reviewed each groups ideas and choose Hamon's group as the winner.

He also was instructed upon how a bill becomes a law.

It was during Easter and the Congress and Senate was out and the groups were only able to meet with their respective Congressmen's and Senator's aides.

Hamon said, "I had a pretty good time and am very appreciative that I was able to go to Washington D.C.

"It was a very enjoyable and educational trip, which anyone who has the opportunity to attend Washington D.C. should take the chance."

"I met a lot of nice people and made several friends," said Hamon.
