Moss named at EKU

A Nicholas County resident, Lisa Kathryn Moss, is among 145 students at Eastern Kentucky University to receive the Dean's Award for fall semester study.

To be given the Dean's Award, students must have achieved Dean's List honors at EKU for three semesters.

The award is a lapel pin, and it's presented annually by the dean of their academic college," said Jill Allger, EKU registrar.

Achieving the Dean's List three times is a very significant honor.

The award was established at EKU in the fall of 1984 by then-registrar Donald Smith who recognizes students who had consistently earned academic honors.

For the Award, students need three Dean's List semesters, but not necessarily three consecutive semesters.

To achieve Dean's List honors at EKU, students attending 14 or more credit hours must earn a 3.5 grade point average out of a possible 4.0.

Students attempting 13 credit hours must earn a 3.65 GPA, and students attempting 12 credit hours must earn a 3.5 GPA.

Stress seminar is held

Nicholas County Hospital and Charter Ridge Hospital sponsored a free community lecture on "Dealing With Stress" Thursday evening, June 13, 1991 in the Nicholas County Library.

Dr. Raymond Mortenson from Charter Ridge was the guest speaker. His lecture was very informative and he gave the audience a variety of ways to deal with the stress in every day life.

Stress is believed to have an impact on our immune system. How we deal with every day life may make the difference in illness or health.

Pic Pac and the hospital provided refreshments for the evening.

Anyone who would like more information on the subject or pamphlets may call Peggy Sothers Community Education Program coordinator for the hospital 289-7234.
