BOND'S BROADCAST
By HANK BOND

This past week the members of the newspaper staff put together the week's publication. That's because our family was away for its funeral anniversary of my aunt.
This lady, who had only come to Nicholas County three weeks ago to live with us, passed away in the Nicholas County Hospital following a brief illness.

Again, I would like to thank everyone... and now, we must go on. Goodbye, Annie! I hope we meet again on the other side. For I must say, if ever there was a person with a place reserved in heaven, yours is now filled.

And so, for this week, thanks and thirty.

LETTERS TO THE EDITOR

Reading The Mercury is a challenge
Due to me being a non-subscriber to your paper I do not have a legitimate complaint, but I do get my mother's paper after she finishes with it and that doesn't take too long.
Usually there is barely enough print left for the writings to be legible after this weekly dose.

Wakins served the community, well
In 1923 I had just finished my sophomore year at Nicholas County High School.
My two older sisters had graduated. With two years left in high school, my parents told me we were moving to Paris. I left behind my good friends and family.

Elected officials not helping city advance
A remarkable job is being done by our elected officials to advance Carlsle in the eyes of all those who want this city to advance.
Recently turned down a plea from citizens of the East Side of Carlsle to be annexed, Mercury March 25th, 1991, reasons for denial of annexation Mercury April 25, 1991.
Carlsle has not and will not annex any additions to the East Side Heights which is in 14 tracts and extends past Sheppard Drive.
