Greenbriar Farm recognized

Greenbriar Farms, Carlisle, Kentucky, has been recognized nationally by the American Angus Association for having 1 registered Angus cow included in the American Angus Association's 1991 Pathfinder Report.

The 1991 Pathfinder Report lists 2,947 individual cows. It is published in the May issue of the American Angus Association's journal. The largest number of Pathfinder cows from a single herd this year is 102, and several hundred breeders have a single cow that qualified for the exclusive listing.
