Jackets' playoff hopes end

CYNTHIANA — Harrison County took a 4-0 lead in the bottom of the third inning and eliminated Nicholas County, 4-1, from district play, Monday afternoon.

The Threshers scored three more runs in the top and three in the sixth inning. Nicholas County's lone run came in the seventh inning.

Nicholas County manager only two hits in the game, both in the seventh inning.

Daniel Brown, 7-2, went to the mound for Nicholas County and got relief help from David Sibert and Travis Sims in the fourth. Sims finished the game for Nicholas County.

Jody Crump, 6-2, took the win for Harrison County.

"It was a disappointing loss for us, especially in the first round of the districts," said veteran Nicholas County Coach Billy Anderson.

"We had 29 wins going into the game and Harrison had 30. We were the two winning teams to face off in the district."

"We just couldn't get a hit until the last inning because their pitchers are strong and experienced. Jody Crump (a thrower) is tough."

"We had a terrific year letting out school records with 29 wins. The most we've ever had was 19, so we had a good year. I think we have to look forward to next year because most of the team returns."

"You have to give all of the credit to Harrison County," Anderson concluded.

The Jackets finished with a season's mark of 29-6 and a 23rd ranking in the final state baseball poll.

Several school records were broken during the season.

Anderson concluded, "The Jackets finished with a season's mark of 29-6 and a 23rd ranking in the final state baseball poll."
