To The Citizens of Nicholas County:

I have known Scotty Baesler for over 30 years and know him to be honest and hardworking in every respect. Scotty is an attorney, farmer, former District Judge and has been Mayor of Lexington for the past 10 years.

Scotty is the only candidate who can say he has experience in running a government. Other candidates will tell you all the things they will do, but Scotty can tell you what he has done. The citizens of Lexington-Fayette County changed the government charter so he could run for a third term as Mayor. His leadership has not been only beneficial to the citizens of Fayette County, but to many other counties in the state.

Scotty started the DARE Program against drugs, the Sweet 16 Academic Showcase, in which students of Nicholas County have competed for scholarships, and the Kentucky All "A" Classic Basketball tournament, which I expect the Nicholas County basketball teams to be in next year. In addition, he started the World Trade Center, the Children's Museum, Safety City, Family Care Center and much more.

Citizens from all over the state are benefiting from these programs. If he can do all these things as Mayor of Lexington-Fayette County, can you imagine what he can do as Governor?

Kentucky has a rare opportunity to elect a man of this stature as Governor and cannot afford to pass it up. I ask you to vote for Scotty Baesler on May 28.

Sincerely,
Class of 1957
Nicholas County High School
Ned Jennings
