

The Carlisle Memorial High School graduates of the Carlisle High School class of 1932 held their 60th reunion Saturday afternoon just prior to the Carlisle High School Alumni reunion at Blue Licks State Park last night. Those in attendance were, from left, Walter Hawkins, Carlisle; Rudy Ziegler, Cincinnati; Bessie Smith, Carlisle; Louise Heiser, Lexington; Lena Pumpfrey, Carlisle; Helen Wells Pumpfrey, Carlisle; Ruth Holler, Carlisle; Mary Lou Heron, Carlisle; Mildred Gentry, Lexington; and Margyole Cleaver, Paris. There were 47 in the original class of 52 and was the largest class to graduate from Carlisle.

The graduates of the Carlisle High School class of 1942 celebrated their 50th reunion at the Carlisle Depot Saturday morning and enjoyed the return of most of its former class members. The class of 42 were less than 10 years old when the above class left for school to enter the Great Depression. But their class was no less an historic maker. The United States was fully engaged by World War II when they accepted their diplomas.

Can Your Child See Well Enough To Learn?
When Your Children Enter School This Fall, About 80% Of What They Learn Will Come Through Sight. Yet 4 Out of 10 Children Have Vision Problems That Can Inhibit School Achievement. Most Vision Problems CANNOT Be Detected By The Familiar Eye Chart For 20-20 Vision. Help Make Your Child's Future Crystal Clear.
DOES YOUR CHILD
- Avoid Close Work - Rubs Eyes Frequently
- Shows Reading Material Close - Makes Reversals While Reading
- Holds Excessive Head Movement - Often Has Headaches
- While Reading - Uses A Finger To Maintain His Place While Reading
- Loses His Place While Reading - Place While Reading
