Blood Drive to be held June 15

The need for blood is always critical during summer months. Vacations and factory shut-downs cause many people to forget about donating and the need for blood. Also, warm weather means more outdoor activities and traveling which leads to a greater number of accidents. Therefore, less blood is available while more blood is needed.

Carla H. Robinson receives a BS in nursing

Carla H. Robinson was one of 27 students who completed requirements in its Associate Degree in Nursing Program and another 22 who finished their Bachelor of Science in Nursing degrees at Morehead State University's Department of Nursing and Allied Health Sciences. MSN's baccalaureate degree program offers two options for students: the generic track, a four-year program for students who plan a traditional pursuit of the degree and the R.N. track, offering registered nurses who have an associate degree or diploma an opportunity to earn the bachelor degree in two years while working full time.
