

Senior magic...

Tacy Earlywine stops short of Bath County's Jemmer Adkins attempted block and shoots the seam for two quick points in the second round of the 10th region tournament. Earlywine hit for eight points on the inside to help move the Lady Jackets into the finale. As a senior, Earlywine was looking for her shot at at least making the Sweet Sixteen. And while she's there, might as well win it, too.

Nikki Smoot, Elizabeth Schanding, and Christie Hatton are uncharacteristically speechless at the post-game pep rally at Nicholas County gymnasium. Finally Hatton came out with "Welcome to the big leagues, Clark." Fans and players found the comment appropriate.
