Bat Jackets, 20-7, win four straight; look to district

CARLEISLE—The Nicholas County Bat Jackets went four straight since Tuesday, May 5, to compile a 20-7 record heading into the final week before the district tournament May 18 at Nicholas County high school baseball field.

Pitcher Israel Stacy held on to a 6-0 record at the top of the week, benefitting from a defense which has congregated for the final weeks of the season. Just ahead of Stacy is Daniel Brown, 6-1, who capped off the tail end of the week with a commanding victory over the Paris Greyhounds.

In the following week, the Bat Jackets will have their hands full facing off against its final five opponents before entering the race for the district title.

Nicholas Co. — 11 Fleming Co. — 7
The Jackets began their four game roll against Fleming last Monday with Nicholas County one run in the first inning.

Although being held scoreless for a single inning, the Jackets launched back into the game early in the second inning to tie, 1-1.

The Jackets climbed steadily up the run ladder, taking in one run each in the third and fourth inning.

In the fifth, however, the Jackets ran straight through the roster, rallying seven consecutive runs to come within one of calling the game.

That, however, would come with a single run in the sixth. Brad Brerly took in three hits, and two RBIs. Daniel Brown added two RBIs to his two hits, which matched those of Travis Sims and Mike Cain.

Nicholas Co. — 7 Powell Co. — 1
Travis Sims went to a 3-2 record with a victory over the Powell County Pirates.

From the first inning, the game belonged to the Bat Jackets with Daniel Brown bringing Jarrod Wills in off a double. Brown would add another run off a shot by Mike Cain.

By the end of two, the Jackets held a 2-0 lead. But they weren't through with home plate yet.

After Sims and Cain made base, Stacy brought both runners in off a double to right field.

The Jackets scored three more times at the top of the sixth inning to round out their performance.

Nicholas Co. — 13 Bath Co. — 2
The Jackets continued to crush its opponents into Wednesday, going for a whopping 11 straight runs in their first time at bat against the Bath Wildcats.

At the bottom of the third, the Jackets sealed the game with two more runs to round out the score.

Lady Bat Jackets vie for district win

The girls' district softball tournament will all be held on May 18 in Maysville at Washington park.

The all day event will pair Nicholas with Bracken County and Mason and Augusta in the first rounds of the tournament.

Tollersboro got one by in the tournament and face the winner of the Mason / Augusta game.

Nicholas Head Coach Bobby Storie feels optimistic of the Lady Bat Jackets chances in the tournament. All they will require is a single win to qualify for regional play.

"The girls have come a long way since the beginning of the season. If they can maintain intensity, we should at least be region bound if not district winners," Storie said.

Donation budgets

money granted them from local government.

Chamber budget proposals called for a total of \$18,000. Marshall, however, said the Chamber only ask for the same amount as was given last year. They would not be asking for the City Council and Fiscal Court to foot the Chamber's entire budget bill, he said.

Chamber member and supporter Louann Kelley addressed the city council in the donation request. She said Nicholas County must not concentrate only on preserving what it has now. Things change and Nicholas County must continue to strive to improve on its assets. Nicholas County must add more, she said, or pay consequences later with higher unemployment and a less vital, poorer population.

"To survive in the future, we must attract industry," she said.

The fiscal court informed Marshall they had already budgeted \$1,000 to the Chamber and Industrial Authority. The city council, however, entered a motion from Doug Garrett, seconded by Vaughn, to donate half of the Chamber's request, or \$6,000. In a roll call vote, the motion passed 4-2 with Charlie Pay and Ronnie Clark voting against.

Gladys Shroat, representing Tourism Inc, said renovation of the jail is proceeding. But in order to have it open continuously for the public, they need to finish a jail room and kitchen in the jail.

Although Tourism sponsored a number of fund raisers throughout the last several months, the money they made has already been exhausted by the renovation process and much more work needs to be done, Shroat said.

The fiscal court, strapped by a number of expenses, said they had budgeted a \$1,000 donation for Tourism.

However as the fiscal court meeting progressed, Magistrate Darl Stacy expressed an interest in assisting Tourism with additional funds.

The court, however, felt it would be better to see if money comes available through the course of the fiscal year. If so, they may consider giving more.

Council, on the other hand, first defeated a motion by Benita Clark to donate \$1,000, then unanimously agreed to donate \$3,000 to Tourism.

Other donations:
"Council agreed to consider adding another \$3,000 to the senior citizens budget later in the fiscal year."

"Council agreed to donate \$2,000 to the Parks and Recreation Board.

However magistrates held fast to the current budget, agreeing to help the senior citizens if they find themselves under-budgeted.

In other business:
"Court members unanimously approved the redistricting bill."

"Court accepted bids from Mark Hughes and Bobby Crockett for the purchase of a car and former senior citizens van, respectively.

"Grants AT&T and Jockey International six month extension in payment of occupational tax.

"Appointed Kenneth Stammen and R.M. Hildreth to the Tax Assessment Board.
