## Tapp viewed WWII from different perspective

John Tapp, a 70-year-old resident of Carlisle, is a former member of the Royal Air Force during World War II. He is the only person in the world who has been a pilot in both the Royal Air Force and the United States Air Force. Tapp was a pilot in the Royal Air Force from 1941 to 1945 and in the United States Air Force from 1946 to 1950. He flew bombers and fighters during the war. Tapp is now a resident of Carlisle and is active in the community. He is a member of the Carlisle Rotary Club and the Carlisle Chamber of Commerce. He is also a member of the Carlisle Historical Society. Tapp is a very active and engaged citizen. He is always willing to help others and to get involved in his community. He is a true example of a good citizen.

## Advertisement About the new Paris Road?

The Paris Road project is a major transportation project in the Lexington area. It is a 10-mile expressway that will connect Lexington to the south. The project is being funded by the state and federal governments. The project is expected to be completed in 1995. The project will provide a faster and more direct route between Lexington and the south. It will also provide a new source of revenue for the state and federal governments. The project is a very important project for the Lexington area. It will greatly improve the transportation infrastructure in the area. It will also provide a new source of revenue for the state and federal governments. The project is a very important project for the Lexington area.

We the undersigned oppose the construction of an expressway from Lexington to Paris through Rural Fayette and Bourbon County farm land.
