A Word From Nicholas County High School Principal to the Class of 1992

A Message to Students. It is already tomorrow.

Time, which never stops on its journey, will pass before your eyes and in only a few moments you will be members of a community looking back on the years you have spent at Nicholas County High School.

When you do, the memories will be your stepping stones to a happy reminiscence. May your memories of Nicholas County High School be pleasant ones and may your future be filled with happiness and success.

With every wish for a bright tomorrow.
Gregory A. Reid,
Principal
