To The Class Of 1992

Here we are, getting ready to receive our high school diplomas. I can remember how we all couldn't wait until this day arrived. Graduation day will be one of the most memorable moments in our lives. I know that this will be a very happy time, but it will also be a sad time. The day of graduation may very well be the last time that some of us will see each other, but we will always have the entire Class of '92 in our hearts for remembrance. I wish each and every person in my senior class the best of luck in the future towards every hope and dream that he or she may have. As Class Secretary, I would like to thank you for making the last 12 years, 12 of the best years of my life.

1992-93 Senior Class Secretary

To The Class Of 1992

When we started school in September, June 7th seemed as though it would never get here. Now, it is just around the corner. It seems like just yesterday we were taking our first walks down the halls of NCHS and now, in a very short time, we will be taking our last. If we look back on the past four years, we will all find times of tears and laughter. We will always have the memories of this chapter in our lives and they will remain protected in our hearts and minds. Let us not dwell, however, on the past, but begin to think of the future. For many of us, graduation will open doors to college and for others careers. No matter the choices we make, let us strive to succeed and be happy, not for others, but for ourselves.

My wish for each of you is to pursue and achieve your goals whatever they may be. Work hard to please yourselves and others are sure to be proud.

As a final note, I want each and everyone of you to know that I thank you, thank you for the memories and for making my four years at NCHS some of the best years of my life. I will never forget you.
1991-92 Senior Class Vice President
Janella Kay Sibert
