MONITORING VADIATIONS

The Sharpsburg Water District hereby gives notice that during the time period of October 1, 1991 through December 31, 1991, the water supply failed to comply with certain monitoring requirements as required by 401 KAR 8:010 through 8:700 inclusive.

The specific violations for this time period are: failure to submit the required number of bacteriological samples for December 1991.

Any potential adverse health effects to any segment of the populations could not be determined due to failure to comply with monitoring requirements.

In most cases, monitoring violations do not require the public

In most cases, monitoring violations do not require the public sock alternative water supplies or sake preventive measures. If alternative water supplies care preventive measures are needed, the public shall be notified immediately. The Sharpsburg Water District will take the necessary action to reduce or eliminate monitoring violations. For more information, contact Gayler Harvey at 247-2861 at the Sharpsburg Water District.
