A Nurse's Prayer

As I care
for my patients today,
Be there with me
O Lord I pray,
Make my words kind
—it means so much.
And in my hands
place Your healing touch,
Let Your love shine
through all that I do,
So those in need
may hear and feel You.

"I solemnly pledge myself...
to practice my profession
faithfully...
do all in my power to
maintain and elevate the
standards of my profession...
and to dedicate myself to the
welfare of those
committed to my care."

—Florence Nightingale Pledge
