JV Bluejackets fall to Bath County Wildcats

CARLISLE — The Junior Varsity Bluejackets came up short against the Bath County Wildcats, 28-0, Monday afternoon.

Bath was thrown for a loss at first down and had to go with just over two minutes left as Anderson and R.T. Hayes slammed the runner behind the line of scrimmage.

The score, unfortunately, came one play later.

The game, however, was not without controversy.

At fourth and fifteen, the Bluejackets opted to punt. The Bath County receiver signalled fair catch, but the ball went bouncing out of his grasp and down the field. Nicholas County recovered at the 15 yard line, but referees cancelled the play due to an inadvertent whistle.

So the punt was replayed with 34 seconds remaining in the half. The Bluejackets scrambled down field and as the ball was about to be caught, a Bluejackets player landed a haymaker to the receiver. The ball hit ground and the Jack-cats were on top of it for a down in deep territory.

But referees sent the ball back to the line of scrimmage by the time the ball was fielded at the 30 yard line it was halftime with both teams confused and the referees with no clue.

Jason Cleaver and Anderson put their shoulder pads to the kick off return for the stop that started the third quarter.

At third and two, Justin Massey aided in a six yard loss for the Wildcats.

With 26 seconds left, the Jack-cats prepared to attempt a goal line stand. David Fincher, Timmy Hopkins, and Hays nailed the Wildcats quarterback for a loss.

Into the final seconds, Chad Evans very nearly snared the ball.

The final seconds had Nicholas in possession of the ball.

It's frustrating. We're playing Santa Claus and its not Christmas yet ever since the last half of Madison Southern and the first half of the Fairview game, we've been beating ourselves," Blue-jackets Head Coach Greg Letcher said.

"There is not a player on this team that thinks we shouldn't be 5-0 right now. And that's why they haven't lost heart. They're frustrated, but they haven't quit. They know our record doesn't reflect the quality of our playing when we don't jump officials and we don't lose the ball right outside the goal line," he said.

Defensively, however, the Bluejackets remained viable. A Newman bolted down field for a crushing 27-8 lead. A Newman bolted down field for a crushing 27-8 lead. A Newman bolted down field for a crushing 27-8 lead. A Newman bolted down field for a crushing 27-8 lead.

But at second and nine, French scrambled for the two point conversion to bring the score to 21-8.

With 2:57 left in the third, the Rams were looking at a third and long situation after mounting a strong ground game to add more to the board.
