CARLISISE — The balance
shifted away from the Nicholas County Academic
Team Tuesday night last
week as Bourbon County ear
out strong and posted a 124-95
victory in Limestone League
Competition.

With a 3-4 record, the Ni-cholas County Academics en-joyed a by week Tuesday last to prepare for a potential upset over the League leader, Tollesboro, after seven games into the fall season.

The season has been a see-saw year for the team as they have been unable to turn a trailing score out of the writ-ten section of the games into solid victories despite only be-ing between one or two points behind.

Bourbon, however, came out with a 10 point lead, 75-65, go-ing into the toss-up rounds and strengthened their ad-vantage through Language Arts, hitting for 11 points ver-sus six points for Nicholas County.

Math remained an obstacle for the team. They were held to to three points while Bour-bon hit for an additional 1 points to spread the score to an almost insurmountable 97-74.
