

GENERAL NEWS

Halloween safety tips to keep in mind

Going from house to house is part of the excitement of Halloween for children. It is also part of the danger, warns the Blue Grass Auto Club Safety Foundation. To keep Halloween safe, the Foundation offers these tips:

DRIVERS

- Watch for children darting into the street or crossing between parked cars. To give yourself larger margin of safety, drive 5 MPH or more under the speed limit in residential areas.
- Turn on your headlights at the first sign of dusk and be especially careful when turning in or backing out of driveways.
- When turning right on red, watch for children crossing the street.
- In rural areas where parents may be taking children on trick-or-treat rounds in a car, watch for drivers making sudden stops or pulling out of driveways.

PARENTS

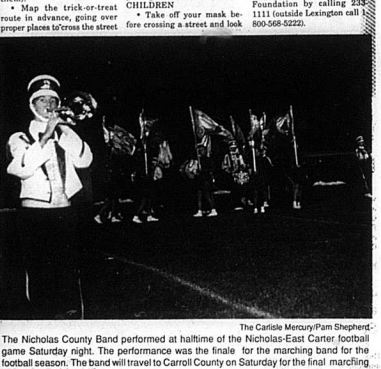

- Make sure costumes include bright colors or retro-reflective tape attached to make the child more visible, and that the child can walk in the costume without tripping.
- Makeup is preferable to a mask since it won't impair the child's ability to look for oncoming cars when crossing the street.
- If driving trick-or-treaters to homes, avoid making sudden stops and watch for oncoming cars when pulling out of driveways.
- Take off your mask before crossing a street and look for oncoming cars.
- Cross at crosswalks and curbs, and never between parked cars.
- Stay on the sidewalk. If there is no sidewalk, walk facing traffic and as far away from the road as possible.
- Always walk, never run.
- Bookmarks with safe Halloween tips are available free of charge from the Foundation. For bookmarks or more information on pedestrian and traffic safety contact the Foundation by calling 253-1111 (outside Lexington call 800-568-5222).

GENERAL NEWS

The Carlisle Mercury/Pan Shepherd Photo
The Lions Club Christmas Parade scheduled for December 5, 1992, will feature a float with a check to be used on the new range and refrigerator in the old jail.

Lions Club Christmas Parade scheduled for December 5

Plans are already under way for registration of the December 5 Carlisle Lions Club Christmas and Snow Queen Parade downtown, as if any objection wishes to enter a float, the time to do so is now.

The parade theme, an Old-fashioned Kentucky Christmas, is broad enough to allow for many different kinds of floats. However, the Lions Club has instituted one very logical rule.

The event will be held in the dining room of the Johnson Maternal Health Care facility. The members of the JMHC Auxiliary are giving a reception to honor and show their appreciation to all local doctors for their dedication to the community and people they serve.

The hours community doctor put in to the care of local people and the commitment they have made to provide needed health care to Nicholas County people deserve recognition.

We would be very grateful to all those who plan to attend and help the Auxiliary express our gratitude for the fine work all our doctors provide.

Greenbrier Farms ranked sixth in Angus beef cattle registered

Angus breeders across the nation in 1992 registered a total of 175,414 head of cattle compared to 166,700 head recorded in 1991.

The American Angus Association, headquartered in St. Joseph, Missouri, was founded in 1883. It is the largest beef registry association in the world in terms of 1960 annual registrations and active members.
