

Nicholas County arts association to sponsor two events in May

The recently organized Arts & Cultural Association of Nicholas County will sponsor its first event, a two-day music and crafts education and appreciation event, May 21 and 22.

The event will begin with a Friday evening 8:30 concert by the Stewart Home choir and handbell chorus from Franklin County.

Both the vocal group and the handbell chorus of Stewart Home are made up of men and women who are physically and/or mentally challenged. Their musical performance gives Nicholas Countyans an opportunity to see and hear the musical talents and abilities, rather than disabilities, of this group of very special people who have faced great challenges in their lives in a positive and productive manner.

The Stewart Home concert will be held in the Nicholas County High School gymnasium, beginning at 7:30 a.m. Admission is free for everyone. Contributions will be accepted to the Arts & Cultural Association to help defray the costs of organizing and presenting such events to the community.

Association membership applications are available for individuals and families. The event will be devoted to arts and crafts education and appreciation, 8 a.m. - 6 p.m. at the Carleide Depot and other locations.

Throughout the day, local artisans and craftspersons from both Nicholas County and other areas of Kentucky will demonstrate their talents. Educational workshops/panels will be scheduled at least three times on each particular art or craft display.

Some may also have items for sale, but the primary goal of the day-long event remains education and appreciation of the talent and skill of individual artists and craftspersons through actual working demonstrations.

Admission is also free to all Saturday displays, demonstration, seminars, and workshops.

"The Arts & Cultural Association of Nicholas County was formed in 1992 with the aid of a \$1,000 New Communities Grant awarded by the Kentucky Arts Council. Its stated purpose is "... to encourage and support local artists and artisans, to offer arts and cultural programs to the community, and to provide education and learning opportunities for all residents of Nicholas County."

Charter members of the Association are Charles Cannon, Elizabeth Collins, Barbara Hopkins, Nicolette Malley, Bill Crawford, Terry Prather, Joyce Simpson and Laura Thomas. A consultant with Verble, Worth and Verble, Inc.

Elementary School, is the organization's first president. Future projects being planned by the Association include a "Heritage Festival" featuring a variety of music and dance that have

their roots in various racial and ethnic cultures, such as African-American and Native American heritage, and a "Children's Community Christmas Tree," in which a tree will be planted and chil-

dren taught how to make original ornaments and decorations for display on the tree as annual artistic expressions of the community's children at Christmas.

To the Voters of Nicholas County

Most of you know I am a candidate for judge/executive. I was born and raised in Nicholas County. I served 3 years in the US Army in Japan. I've worked in construction for 18 years. Since that, I have been self-employed. I owned and trucked for about 18 years. I have been in business and selling trucks and equipment for the past ten years.

I think this should qualify me to be judge/executive. I believe, of the eleven candidates for judge/executive, I am one of the top county taxpayers, so you know I don't want any tax increases. I believe I know enough about roads and equipment that can save the taxpayers some money.

I want you people to know that I have not said I was going to close the rock quarry, as one of our good candidates has said to everyone. I do think we need to make a few changes. I have not said I was going to hire or fire anyone. This man has been on fiscal control enough he should know you have five more people, you don't run the county by yourself.

I think we need to clean up the trash and litter over the county. I think our old people at Nicholas County should have first priority to get in the Nicholas County Nursing Home rather than have to go to some other county. I know I will need to see and talk to everyone of you before May 25th. If I don't and you have anything you would like to know feel free to give me a call anytime at 289-2391.

It is time we get Nicholas County on the map. Tell your family and friends to get out and vote Randolph for judge/executive on May 25th. I have been in about forty states and five foreign countries. I am sure I can find my way to Frankfort, Kentucky.

Thank You,
Jack Randolph
