Dr. Earle's medical practice is the most consuming part of his life. As a specialist in Cardiothoracic surgery, he spends a great deal of his time between the operating room and follow-up checks on his patients at the clinic, including Dr. Earle's office work. Dr. Earle's clinic work gives him a means to reach his patients a long trip into Lexington for follow-up and reach others who normally have no access to specialists in his field.

Mark Hughes and Ken Pedigo establish automobile dealership outside Carlisle

By Heather Mathews-Harris
OF THE CARLE NEWS
Carlisle — Mark Hughes and Ken Pedigo, in new cars for business on Concrete Road, Route 36.

RayMark, located inside Ralph's Gas and Amco two miles out of Carlisle, has 14 cars in stock and many of these vehicles are selling on a "buy here, pay here" basis.

"We realize there are many people who cannot afford high interest rates or do not have the credit background to get financing through a bank," Pedigo said.

"The way this works is we require a down payment, the amount depending on the value of the car, or handle a trade-in, and the buyer pays the monthly or weekly payment instead of paying the bank, going through a loan process or high interest rates," Hughes said.

"There are no other car dealerships that do business like this in Carlisle, we want to offer the people of Nicholas County a service they cannot get anywhere else."

"The list of cars KenMark has to offer include: '85 Jaguar XJ6, 1990's '87 Ford Mustang LX, 1991's, '90 Buick

Skylark, 1988's '87 Chrysler Fifth Avenue, 1991's '86 Buick Wildcat, '84 Allstate Renault, 1985's '81 Ford Granada, 1985's '81 Oldsmobile Cutlass, 1990's.

"We try to have something everyone can choose from. If you look at our list of cars I think you can see where we have tried to get vehicles away from high school up to a person in their late 60's and beyond would be interested in."

make a little as have cars on here for a long time and make a lot. We are in this business to do business," Pedigo said.

"This is an area of high activity and I think we will really grow as a business in Nicholas County."

KenMark's business hours are from Monday to Friday, 9 a.m. until 5 p.m. and on Saturday from 9 a.m. until noon. The owners may be reached at 288-7743.
