

Looking Back

Continued from Page 1

Division #2 prepared a average rate for the Cannon district in the city council January 22, but no action was taken on the rate on the meeting, according to Ray Borer of the Cannon district.

Up until the past couple of weeks, there has been a lot of talk about the possibility of large amounts of scholarship money for those high school seniors attending University and attending college. Wal-Mart in the area finally took the responsibility of sponsoring Nicholas County in the annual Wal-Mart Foundation \$1000 scholarship program. The offer to sponsor Nicholas County followed a call by Nicholas County High School Counselor Betty Ballantyne.

Early reports from two local businesses say Christmas sales rise

By Heather Mathers-Harris
OF THE CARLSALE MERCURY
CARLSALE - Nicholas County children may be wishing for their stockings to be bulging with goodies for Christmas morning, and many area businesses had that same wish with a twist.

They wish that local people would frequent local establishments to fill those stockings, as well as every other item on their shopping and entertainment lists.

According to two local business owners, Christmas sales were up to a degree.

"We've not really had a chance to completely total our Christmas sales, but we did sell a lot of merchandise, so we know we did well," Fisher, Mayor of Carlsale Drug said.

Myers also said the Carlsale Drug provides a large selection from which to choose.

"We did very well on our Christmas decorations as well. And I've got to say, I'm very pleased people chose to stay at home and shop."

"It is convenient to be able to go downtown and get what you need - plus, we gift wrap. Many people are glad to know we wrap gifts for them. It's one less thing they have to worry about, and they don't have to stand in line all day and wait to have it done like in most of the larger shopping malls."

David Zachary of Hopkins Drug said he was also satisfied with the 1993 Christmas season.

"I've not seen the final tally, and a lot of our cash sales are on prescriptions, but I'm pretty well satisfied," Zachary said.

"We were not as busy that final week but I think we did pretty well."

He credits much of the holiday sale success to an increase in illness.

"We have seen a lot of prescriptions for the flu and colds around Christmas, and when people are in getting those filled, the more chances of being brought down than usual, including NCHS grad retires from Marine Corps

Master Gunnery Sergeant John Carl Mattox, Jr. retired after 30 years in the United States Marine Corps recently at a ceremony held at the parade grounds located at Naval Air Station in Memphis, Millington, Tennessee.

Mattox served his last tour as an AV-8B Technical Coordinator with Naval Air Maintenance Training Group, NAS Memphis, and received the Navy Achievement Medal for his outstanding performance in that capacity.

The son of Mr. Carl Mattox of Carlsale, and Mrs. Pauline Clinger of Maysville, Mattox graduated from Nicholas County High School in May, 1962.

His military career began in December 1962 when he enlisted in the Marine Corps at Louisville, Ky. He completed training at the Marine Corps Recruit Depot, Parris Island, South Carolina, in March, 1964. He served with VMPA 115 in the Republic of Vietnam in 1965 through 1966.

Mattox' military decorations include the Navy Achievement Medal, Presidential Unit Citation, Good Conduct Medal (10 awards), National Defense Service Medal (two awards), Vietnam Citation (Gallantry Cross Medal with Palm) and the Republic of Vietnam Campaign Medal.

Master Gunnery Sergeant John Carl Mattox, Jr. USMC (Ret.)
