Dairy refunds given now

Refunds of amounts deducted from 1992 commercial milk marketings under the Dairy Refund Payment Program (DRPP) will begin in January 1993, according to Jim Furnish, of the Nicholas County Agricultural Stabilization and Conservation Service (ASCS). The program is authorized by the Omnibus Budget Reconciliation Act of 1990.

The Act calls for an 11.25 cents per hundredweight reduction in the price received by producers for all milk produced and marketed for commercial use in calendar year 1992. "This amount was increased on May 1, 1992 by 2.4 cents per hundredweight, for a total of 13.65 cents per hundredweight," to compensate for refunds paid under the 1991 program," Kenneth Ashby, State Executive Director said.

USDA's Agricultural Marketing Service collects the milk assessments and ASCS will issue any refunds required

Nicholas Lady Jackets: Champs of All "A" tourney

By Rebecca Mullins
Of The Carlisle Mercury

RICHMOND - This week has been proclaimed "Lady Jackets Week" by the schools, community and county for one very big reason: the team were named champs of the revered All "A" Classic at EKU this weekend.

The team beat Webster County, a team with at least two players going to play for Western Kentucky University, 56-38 in the finals at McBrayer Arena last Sunday.

Coach Barbara Kenney had a few things to say about Lady Jackets' championship win in an interview session after the game. She commented specifically on their excellent defensive play.

"These kids love it (defense), we preach it, they get it in their heads and play it," Kenney said in the winning team's interview session.

Their state tournament wins place the Lady Jackets at a 25-2 record. It also enables them to say they have compiled 100 wins with only 19 losses in four years.

One of the most interesting moments in the finals was when a technical was called on Webster's Lady Trojans for having too many players on the floor.

A technical was also called on Lady Jackets'

Coach Barbara Kenney. She explained why in an interview Tuesday.

"I had a player down and I was trying to get the game stopped," she said.

She had called out to one of the referees whom she wanted to stop the game.

In fact, Kim Denkins was sick and had fallen to the floor.

Kenney said that the referee later apologized for calling the technical when he was told why Kenney did what she did.

The foul didn't affect the Lady Jackets' large point-margin that much. The team finished with an 18-point lead over the the Lady Trojans.

It also finished with two of its players, Nikki Smoot and Kim Denkins, named to the All-A Tournament Team and named "Most Valuable Player" respectively in the tournament.

Below are statistics and scoring for the Lady Jackets in all four games. More detailed information on the games can be found in the Mercury Plus Lady Jackets' special publication published last Monday.

Jackets fall to Panthers

By Jason Hart
Of The Carlisle Mercury Staff

CARLISLE - The Nicholas County Bluejackets went down to defeat Friday night, February 5, at the hands of Fleming County.

First period started with the Jackets keeping up with the offensive pressure of the Panthers, scoring point for point with the Fleming County team.

The Jackets faltered slightly in their scoring efforts in the latter half of their first period, allowing the Panthers to gain a three point lead.

The second period saw the same strong play by both teams, and heavy shooting action from the three-point line.

Bluejacket Stacey Adams attempted a total of four three-pointers, and sunk three.

Bradley Brown also hit three from the three point line, out of six attempted. Brown was very active on defense, making a total of six defensive rebounds.

In the third period, the panthers slipped ahead, holding a lead that would hold until the final buzzer. The Jackets managed to score well in the third, but couldn't keep up with the Panthers.

Final score was Panthers, 62, Bluejackets, 57.

Scores and stats: B. Ockerman, 14 points, I. Stacy, 5 points, J. Brown, 9 points, B. Trussell, 3 points, Stacey Adams, 9 points, Bradley Brown, 11 points, W. Broderick, 2 Points, J. Gilbert, 2 points, Allison, 2 points.

The young Nicholas County girls are trying to follow in the Lady Jackets footsteps. A group of Little League Basketball fifth and sixth grade girls competed in a tournament in Lewisburg on January 15, 16, and 17. Quickness from Kathy Schanding and Shasta McNabb, strong rebounding from Mindy Simons, Jennifer Livingood, Kennetha Ishmael, and Sarah Curtsinger; rebounding and scoring support from the bench from Jennifer Earlywine and Allison Grant and quickness from the bench from Kristin Hobbs and Gretchen Roberts were reasons for Nicholas County going undefeated in the tournament.

In the first round on Friday night they defeated the Tollesboro team 52-9. The second round on Saturday was a bit more competitive as they fought their way past a tall Mason County squad and won 48-41. Saturday nights games also proved to be a tough battle abat Nicholas County once more ended the game on top beating Ripley, Ohio 39-31. The championship game was on; Sunday and Nicholas County put everything together in championship form as they rolled over Mason County 53-38 to take home first place.
