

### Lady Jackets win...

Continued from Page 7  
 eral times in the game, blocked a Patriot shot at 3:03 and hit a short jumper at 2:28 for a 52-53 winning margin. At this point, Denkins had only three fouls against her. There were her foul fouls for the game.  
 The final points in the match were scored by Schandig. She earned one point at 2:55 as she went up to the charity stripe to shoot one and a bonus after a foul was called on Lady Patriot Stacy Terry. Fouled once again with 11 remaining. Schandig

The Nicholas County Bluejackets cheerleaders were named runners-up in the 37th District Competition two weeks ago. The winning squad is now going to the 10th Region Competition in Clark County February 27. The team is, (front, from left) Shellie Bussell, Suzanna McConnell, Candace Gilbert, Laura Tabor, Emmie Ritchie, Susan Cockran, (back row) Cybil Hunt, Emily Hamilton, Sponsor Shelley Goldman, Favia Pope.

### Bluejackets lose to Indians, 65-43, in Mount Sterling

**By Jason Hart**  
**OF THE CARLE MERCURY STAFF**  
**MOUNT STERLING** — Despite a good effort by Nicholas County Friday night, the Indians of Montgomery County managed to slip past the Bluejackets, 65-43.  
 Brad Cranor, center, was the game's top scorer with 14 points. The Indians put up the first points of the game 32 seconds into the first. The Jackets held off Montgomery and scored their first at 7:16.  
 At 6:29, Montgomery's Travis Hughes committed the first foul of the game.  
 John Brown, who tallied 10 points on the night, hit a three-pointer through heavy coverage by the Indians at 6:26. Brown went on to score 10 points on the game.  
 Three point efforts by Montgomery County were dismal at first, with the Indians missing all three-point attempts until the third period, when Travis Hughes hit one from outside.  
 The game turned into the Jackets' trailing the Indians, 22-11.  
 Second period saw Stacy shine, on defense and offense. After hitting a three-pointer at 0:41, Stacy went on to score 11 of his 13 points on the night, making him the leading scorer for Nicholas County.  
 Bradley Brown hit one from the three-point line at 5:05, on his way to a total of eight points total.  
 Stacy went in for two with seven seconds on the clock, putting the score at 24-27. Montgomery leading at the half.  
 In the third, play turned rough, with both teams walking a fine line between fair play and foul trouble.  
 At 6:12, Brad Trussell was called for his fourth foul, and Mark Adams was substituted for Trussell. Adams scored a total of 6 points on the game.  
 The Jackets held the Indians, and racked up eight on the visitor side of the board, ending the third 41-35. Mont-

gomery.  
 In the fourth, the Bluejacket defense broke down, allowing scoring runs by the Indians to rack up 24 points. The Jacket offense also seemed tired, scoring only eight points in the final period. Final score was 65-43.  
 The loss to Montgomery County sets the Bluejackets off Montgomery and scored their first at 7:16.

## Two local college students are named to Dean's List at Eastern Ky. University

**RICHMOND** — A Nicholas County resident and Robertson County resident are named to the Dean's List at Eastern Kentucky University to be named to the Dean's List for fall semester.  
 To achieve Dean's List honors at EKVU, students attempting 14 or more credit hours must earn a 3.5 grade point average out of a possible 4.0.  
 Students attempting 13 credit hours must earn a 3.65 GPA, and students attempting 12 credit hours must earn a 3.75 GPA.  
 "We are always delighted to honor outstanding academic achievement at Eastern Kentucky University," Crawford, Carlisle, majoring in political science, Jeremy industrial arts specialty in West McCloud, Mo. Olivet.  
**Herrington wins national science scholarship**  
 April Herrington, a 1992 graduate of Harrison County High School, has been selected by the White House in Washington, D.C. as a National Science Scholarship Winner.  
 Herrington is one of only 14 Kentuckians to receive the \$2750 award, according to the Kentucky Department of Education.  
 At Crossroads Chevron and Shell Food Mart #9, the two leading gas competitors in Carlisle, the current prices at these stations are \$1.09 per gallon for octane gas, \$1.07 for medium-octane gas and \$1.16 a gallon for high-octane gasoline, according to managers from both stations.  
 "We have [recently] gone about four or five cents lower. It's really helping business," Waugh said.  
 Mike James, a representative for Crossroads Chevron and the surrounding area, said that station's prices have been six cents higher the past couple of months.  
 Gasoline prices are much higher at smaller service stations in the county, such as Berry's Service Station and Abene's Blue Links Grocery. Both of the stations buy from distributors of BP gasoline.  
 Robert Berry, owner of Berry's Service Station, said there are two reasons for the price of his gas, which run \$1.10 a gallon for regular-lead gasoline.  
 "Berry said that his gasoline has very little alcohol in it,

which makes it expensive. Also, his station is full-service, so his patrons pay to have their gas pumped.  
 Berry has owned his station for 14 years, and hopes that it lasts for many years to come.  
 However, three small, privately-owned service stations have gone out of business just in the past year. Those stations were Hopkins' Ashland Service Station, Rex and Paul Shell Service and Hunt's Ashland Service Station.  
 Berry attributed their demise to improved gas mileage on automobiles and strict environmental regulations on governmental pollutants.  
 "The gas tanks have to be installed deeper when the tanks were installed," said Cherry's James.  
 The government-required changes include replacing tanks that could leak into groundwater. They are installing plastic liners under tanks to prevent leakage.  
 Berry said the cost of installing new tanks and cleaning up old tanks at his stations cost approximately \$200,000.  
 "The government has ordered that all gas and service stations must tank standards by 1998. James said, "The cost of trying to meet the regulations might have not have swallowed Berry's and Barbara Abene's business, but it has left them the last of a breed of small, personal-service stations in the county, despite their higher gas prices.  
 James said that \$20 and a half cents of any \$1 purchase of gasoline is taken off of the price, which could signal more bad news for existing small stations.  
 "I expect prices will rise when Clinton taxes raise gas prices again. Things will just get tougher."

congratulations

## Jim LeMaster passes state resolution for Lady Jackets

State Representative Jim LeMaster passed a resolution in the state House of Representatives last week honoring the Nicholas County High School Lady Jackets' All "A" Classic championship win.  
 The resolution was stated as follows:  
 "A resolution honoring the Nicholas County High School Lady Jackets' All "A" Classic championship win.  
 Whereas, the Lady Jackets of Nicholas County were virtually unstoppable as they came away with a 56-38 victory in the finals of the girls' All "A" Classic and;  
 Whereas, Lady Jackets Head Coach Barbara Kenney has preached defense to her team all year and they proved it to perfection at Eastern Kentucky University's McCreary Arena; and  
 Whereas, tournament Most Valuable Player Kim Denkins scored fifteen points, grabbed three rebounds and had a lot of free-throw team-mates who they won coach Kenney's 100th game against nineteen losses in the last four seasons and;  
 Whereas, the Lady Jackets are sporting a 25-2 win/loss record as they look forward to the Sweet Sixteen;  
 Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:  
 Section 1. That this ceremonial institution do hereby congratulate Barbara Kenney and her Nicholas County Lady Jackets for claiming the All "A" Classic girls' championship title.  
 Tawnya Livingsood, Michelle Hopkins, Tara George, and Melanie Jones.  
 Section 2. That the House of Representatives of the Commonwealth of Kentucky do hereby transmit 16 copies of this resolution to Coach Barbara Kenney, Nicholas County High School, 103 School Drive, Carlisle, Kentucky.  
 Section 3. That the Clerk of the House of Representatives is directed to transmit 16 copies of this resolution to Coach Barbara Kenney, Nicholas County High School, 103 School Drive, Carlisle, Kentucky.

## Gasoline prices dip in Nicholas County

**By Rebecca Mullins**  
**OF THE CARLE MERCURY STAFF**  
**CARLISLE** — Gasoline prices dipped five to six cents across the county and state this month, according to local gas stations and the Bluegrass AAA.  
 The price decrease is mainly due to the competition for business in the county all seasonal downturns in gas sales, according to Bluegrass AAA spokesman Kathy Gross.  
 "Prices rise as we get into spring," Gross said. "Stations have a fixed supply of gas during the winter, so they typically sell lower prices. Gas prices decrease from competition."  
 At Crossroads Chevron and Shell Food Mart #9, the two leading gas competitors in Carlisle, the current prices at these stations are \$1.09 per gallon for octane gas, \$1.07 for medium-octane gas and \$1.16 a gallon for high-octane gasoline, according to managers from both stations.  
 "We have [recently] gone about four or five cents lower. It's really helping business," Waugh said.  
 Mike James, a representative for Crossroads Chevron and the surrounding area, said that station's prices have been six cents higher the past couple of months.

**KENNETH ROSE** 897-4688  
**FRAZER LEBUS** 234-1489  
 Come in and see our operation, we appreciate your business!

**Inmates discuss drugs with students**  
 Bourbon County Jailor Mike Fryman, presently in his third year of office, developed a very unique program for the local schools in Paris and Bourbon County that offers a strong and no-nonsense message on illegal drugs, alcohol, violence, and jail incarceration. The team consists of inmates from Bourbon County Detention Center, who are either serving time in the state penitentiary, have been to the state penitentiary and violated their parole, or who have completed their penitentiary time and are back home again.  
 Recently, the Bourbon County Detention Center took their program to Southside Middle School and talked with the eighth grade class and teacher Mr. John Norman. Several of the inmates

up there talking to the students. Instead, they explained to the students that they were "cool" and "tough," but as you can see, they are in the Bourbon County Jail.  
 Bourbon County Jailor Mike Fryman informed the paper that any local junior high school, or youth group who would want to hear first hand about the effects of illegal drugs, alcohol, and jail incarceration, feel free to call the Bourbon County Detention Center at 606-987-2137 and your call will be returned.  
 The Bourbon County Jail also houses many Nicholas County inmates. Bourbon County Jailor Mike Fryman and the program are scheduled to speak at Bourbon County Middle School eighth grade in the near future.
