(TWINNINGVILLE) - Despite a strong effort by Nicholas County, the Wildcats of Menifee County dealt the Bluejackets a defeat Tuesday night in the Bath County Tournament.

Bradley Brown breaks through Menifee defense to rack up two points for Nicholas County at the Bath County Tournament January 5.

take the court. The Jackets got into foul trouble in the third, giving up five points to Menifee in a successful foul shot.
The Bluejackets defense, using both zone and man-to-man tactics, was very successful in trapping early and other key players in the third.
"We use the trap quite a bit," said O'Hearn. "We'll get a key player in a corner with three or four players on him and he has a lot of trouble doing anything. It's pretty effective."

In the fourth, the Jackets really seemed to come to life, scoring a total of 25 points. Israel Stacy was 1 for 5 from three-point territory. Mark Adams 6 for 1, and John Brown came out with a fifty percent three pointer ratio at 2 for 4.
Bradley Brown, who finished the game 2 for 5 on 3 point shot, hit one from the charity line in the fourth quarter to edge the Jackets closer to victory, but the seemingly impenetrable Menifee defense held the Nicholas at bay.
An impressive effort in the fourth failed to halt the Wildcats, and they slipped by the Jackets for a heartbreaking 58-61 victory.

The Bluejackets will meet the Wildcats again in Frenchburg on January 12.

Abnee named to All-State list

CARLISLE - Justin C. Abnee, the 18-year-old son of Mr. and Mrs. Gene Abnee, has been selected as a member of the Courier-Journal's All-State Football team.
He was selected to play on the 283-team offensive unit.
The All-State team is selected by the State Head Football Coaches. Each coach can select 11 of the best offensive and defensive players who have been playing during the year.

According to Coach Letcher, Justin has been a tremendous reason for Nicholas County's success over the past years in running the football.
"He is the most dedicated individual I've ever had the privilege to coach," Letcher said.

After graduation, Justin plans to attend college.
