Jackets whip Bobcats, 59-50

By Jason Hart

BEATTYVILLE - The Nicholas County Bluejackets claimed another victory Saturday night, defeating the Lee County Bobcats, 59 - 50.

After senior Brian Ockerman took the tip, the Bobcats did not lead the rest of the game. Bradley Trussell sunk the first points of the game at 7:50, hitting a two-pointer from eight feet.

The Bobcats managed to throw off the Jackets defense at 7:01, to score their first goal, a three pointer.

The first period ended with the Jackets in the lead, 14 - 12.

The second period opened with Jacket Brad Burden hitting two from the charity line, upping Nicholas' lead to 16 - 12.

Brad Trussell attempted another foul shot at 5:10, but failed to sink it.

Brian Ockerman sank two for the Jackets at 3:50, and those two were followed 20 seconds later by two from Israel Stacy.

Foul action was heavy in the third, with the Bobcats drawing four calls, and the Jackets hearing the whistle a total of four times also.

The second period ended with Nicholas County holding the lead, 24 - 23.

Bluejacket John Brown looks for an opening against a Lee County defender Saturday night. The Jackets defeated the Bobcats, 59-50.

Third period opened with maneuvering by the Jackets, and Nicholas was in position at 6:55 to score two, and scored two more 33 seconds later, with 6:22 on the clock.

Lee County was unable to score until almost half the third period had passed, and in the process gave up 24 points to the Bluejackets marksmanship. The third period closed with the Jackets widening their lead over the Bobcats, 45 - 39.

Fourth period play was frantic on the part of the Bobcats. Time after time, field goal attempts fell short for Lee County, and the Nicholas County defense proved too tough for the struggling Cats.

The Bobcats gave up 14 points to the Jackets in the final period, scored only 11 points. The Nicholas County Bluejackets brought home the victory with a final score over Lee County, 59 -50.

Bluejackets Coach Chris O'Hearn said his team was more determined to get this win, and make it two in a row.

"It's a crucial time for us," said O'Hearn. "We executed a lot better than we have been, and we played right with them."

Lady Jackets beat Paris Hounds, 57-56

By Rebecca Mullins
Of The Carlisle Mercury Staff

MT. OLIVET - Paris proved to be a formidable opponent in the Nicholas County Lady Jackets' first game of the Class A Regional Tournament at Deming High School Friday night.

The Lady Jackets inched past Paris' Lady Hounds one point for a final score of 57-56 during the tiresome battle which led the Jackets into one overtime and almost led them into another one.

The tension was relieved for the Lady Jackets when the winning point was scored by Nikki Smoot from the free-throw line at :07 in overtime.

"Unbelievable," was all Lady Jackets Head Coach Barbara Kenney could think to say right after the point was scored.

"We made so many mistakes, but managed to pull away and win it," she said.

The teams had been tied five times in the game before it ended at seven seconds in overtime. The first tie was near the start of the second quarter when a hit by Megan May brought the score to an even 17-17.

Up to that point, the Lady Jackets had been in the lead by a margin of four to six points. A long jumper by Renee Linville at 2:44 in the first and some swift dunks by Kim Denkins and nice layups scores by Elizabeth Schanding kept the Paris' defense frustrated and got Paris into foul trouble.

The fouls evened themselves out between the two teams in the second quarter, though, which is probably what signaled Barbara Kenney's comments about "mistakes" being made by the Lady Jackets.

A lion's share of fouls were called on both teams within the first three minutes (three for the Lady Jackets, two for Paris) of play is what brought the score to the 17-17 tie at 5:30 in the second.

The second tie was at the end of the second quarter with a score of 28-28 following a short jumper by Christie Hatton. Michella Hopkins and Schanding had battled for the ball and managed collectively to score six points in 1:10 minutes of play, but Paris' defensive push and ability to hit on almost every attempted layup wouldn't let the Lady Jackets accomplish their usually large point spread.

It took the Lady Jackets until 7:14 in the third to up their score by one point for a 31-30 total. Denkins made that lead possible with a steal from Paris, which appeared to loosen both effensively and defensively. Denkins then scored a layup hit over the head of a Paris guard.

The Lady Jackets seemed to get some of their confidence back after Denkins brought them over the top. Two nice layups by Nikki Smoot at 6:38 and 6:08 and another good two-pointer by Smoot at 4:46 moved the Jackets ahead, 37-30.

Although the Jackets only scored three points until the end of the third, a block and steal by Denkins at the end of the quarter kept Paris at bay, enabling them only four points at the end for a score of 36-40.

A charity toss and good layup hit from Denkins in the last few seconds of the fourth following a two-pointer by Lady Hound Rowena Crooks raised the score to 52-50, but a foul on May brought a tense tie of 52-52 with her free throws. The game was sent into overtime.

A foul on Hatton sent the score up two points to 54-52, but then May had her turn at the charity stripe and evened it back out for the fourth tie of 54-54.

No action shot finished the game, only charity tosses. Tawnya Livingood had her turn and made two from the free-throw line, then Paris' Katie Shriver was fouled and scored two free shots for a 56-56 score. Smoot finished it all with her charity toss at :07 in overtime.
