How Can We Rejoice in Our Brother and Sister's Salvation?
Just as it was yesterday I can remember as a child growing up in Louisville, Kentucky with one brother and two sisters...

We honored the Fourth of July not only with fire works but with Independence in our hearts. I remember how we were taught The Pledge of Allegiance to the Flag, I pledge allegiance to the flag of the United States of America and to the Republic for which it stands...

Most of us in this world have more wealth and more luxuries than our parents had, or any other country has ever seen. Only one thing has changed today we have forgotten where all these things have come from. We live in a country that has forgotten God and left God out of almost everything...

Most all of us today believe in the beautiful Heaven God has prepared for us. But have we forgotten there is also a Hell? When is the last time we heard a good sermon on Hell? Modern day preachers have taken Hell out of the Pulpit...

What is it going to take to wake America up? Well, going to church won't get you to Heaven, but it at least a start. Go to the Church of your choice this coming Sunday and join with the Pastor and the congregation, and let us get back to letting God run our lives and our whole nation...

Oakland Mills United Methodist Church holds Sunday School every Sunday at 10 a.m. and preaching the second and fourth Sunday of the month at 11 a.m.

Alben Gaunce says the day is just getting too long and too hot for him.
