The Blackberry Festival, held on a July 4th early morning activity saw many Nicholas Countyans enjoying the splendors of the winner's circle. Kurt Kelley led the pack and took home first place trophy for the wholehearted race and overall winner in the male category.

West End Park, Nicholas Sp, is getting the finishing touches this summer. The adjoining horse show ring, which is leased by the extension office, is now ready for use by the community.

days by flocks of birds that prevented a helicopter from landing to pick up the crew. The helicopter landed after sunset.

Letters To The Editor

As I put my pen to paper I know for sure as I approach the subject of my letter, a certain amount of our community are going to be offended, and defensive.

Believe me, my purpose is not to rock any bats, or pop anyone's balloons or destroy any tradition that has developed over the years.

As I walked around that morning our citizens are found slowly moving their heads back and forth and we fully muttering how they can't wait until next week when it all over, and how the court comments about the noise, the mess, the stick and other numerous phrases.
