Students receive degrees

Two Nicholas County students, Kelly Ahnette Razor and Teresa Sue Roberts, received degrees from Eastern Kentucky University at the end of EKU's spring semester.

They were among about 2,100 graduates honored at the University's 86th spring commencement ceremony held Saturday, May 8, at Roy Kidd Stadium. That number includes 810 December graduates who were invited to participate in the ceremony.

Faculty and administrators of the University's nine academic colleges were on hand, as well as thousands of family members and friends of the new graduates.

The commencement address was given by Dr. John Rowlett, EKU's retiring vice president for academic affairs and research and dean of the faculties. Rowlett also received an honorary doctor of laws degree.

Following the University-wide ceremony, each of the nine colleges sponsored receptions for new graduates at various campus locations.

Eastern's new degree-holders join more than 64,000 EKU alumni in Kentucky and across the United States.

Church Corner

The following is an article written by a local church official, and does not necessarily reflect the views or opinions held by The Carlisle Mercury or Park Communications, Inc.

By Rev. James Doughton
Pastor, Carlisle United Methodist Church

The gospel of Jesus Christ is the most important message that we will ever hear. Our society and the world desperately needs to not only hear the gospel but accept the salvation that the message brings. In the bible, Hebrews 2:3, in the New Testament, we read, "How shall we escape if we neglect so great salvation." The gospel of Jesus Christ offers us forgiveness of sins, a life in Christ, and eternal life now and for all eternity!" The gospel presents the message of love from God, deliverance from the bondage of sin and Satan, and life after death. John 3:16 tells us, "For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish, but has everlasting life. Acts 16:31 says, "Believe in the Lord Jesus Christ and thou shalt be saved." John 14:6 Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." the bible also teaches what will happen to those who continue to live in sin, II Thessalonians 2:12 says, "Those who have pleasure in unrighteousness shall be damned." Jesus gave His life for us that we can be saved.

The invitation to accept so great a salvation has been given. We must respond personally to this invitation. Jesus told a parable in presenting to us the opportunity to accept Him. In Matthew 22:2-13, Jesus said the Kingdom of God is like unto a certain king, which made a marriage for his son. In the parable He says when the feast was ready the king sent out invitations, and those invited gave all kind of excuses to why they could not come. In verse five of chapter 22 of Matthew, it says, "But they made light of it." They had more important things to do and places to go.

There is a lack of interest by many people to spiritual things. If you ask a person to come to church or talk to them about the Lord they have better things to do or places to go. They may even be members of the church and made a commitment to the church sometime in the past, but they have neglected the church because of other priorities. We have developed a spiritual vacuum in our society. Interest in the gospel is at an all time low. Some are trying to cleanse Christianity from American society. Our children as well as our adults, are at eternal risk. If they do not have the chance to hear the gospel message they will stand before Christ as those under the judgment of eternal death.

We must have a spiritual awakening across our land. People must turn back to the Lord and give their lives to Christ. We have the message of life and hope to give to those who need to turn to the Savior Jesus Christ. The invitation has been given to come to Christ. The opportunity is now! the chance to live eternally is here! Hosea 6:1 says, "Come, and let us return unto the Lord: for he hath torn, and he will heal us; he hath smitten, and he will give us up."

Sunday School Services are held at the Carlisle United Methodist Church at 9:30 a.m., Morning Worship is at 10:45 a.m., Sunday Evening Worship Services are held at 7 p.m., and Wednesday Prayer and Bible Study is held at 7 p.m.

Fred Hollar of Saltwell holds up a home-grown Early Flat Dutch Cabbage measuring 45 1/2 inches around and weighing 19 pounds. He said the secret to growing one of these is to put it out early, and though it looks fun to eat, it sure makes a whole lot of coleslaw. Borrowing from Old Tom Payne, Fred Hollar says, "That are true."

KHC conducts survey

The Kentucky Housing Corporation (KHC) is conducting a Homeless Survey for the State of Kentucky. This is the first effort of its kind ever attempted in the United States. KHC has enlisted the help of the 15 Area Development Districts (ADD's) to coordinate the effort through regional and County-based services providers.

The Survey will be conducted during a month-long period beginning on July 19, 1993 and ending August 18, 1993. It is believed that homeless individuals seeking services such as emergency housing, health care, federal income or rental assistance, etc., will most likely be in contact with service providers during the month, which provides the opportunity for short interviews.

The goal of the Survey is to ascertain the number of homeless persons (which includes those living in overcrowded conditions), what services are being provided to them, and what improvements can be made in service delivery.
