The checks are in the mail
State Treasury Officials are waiting for authorization from the State Finance and Administration Cabinet in order to issue state income tax refund checks.
State Treasurer Frances Jones Mills has made a standing order for the Treasury to immediately begin processing the tax refund checks once the official approval from Finance is received. Over \$60,000,000 dollars worth of refunds are ready for processing.
Treasury personnel will make processing the refund checks the number one priority once the decision is made by Finance for us to go ahead," said Mills. "We are ready to move ahead the very moment we get the word."
