ning to have a golf tournament, bingo and a booth at the Fourth of July Blackberry Festival," Harmon reported.

The Nicholas County Little League Program will hold informal tryouts in order for children to sign-up and be assigned to teams.

Harmon said of the tryouts, "Every child will get a chance to play– no one will be eliminated.

Both parents have also had encouragement from area high school coaches.

"We have been told that starting kids out earlier like other counties already do would really boost the NCHS football program. Coaches would not have to start out with the bare fundamentals because kids would have at least the basics to grow from," said Harmon.

She concluded, "And if kids are in some kind of sports program it means they will not be hanging on some street corner and getting into trouble.

"Any possible positive thing we can do for our children is worth pursuing. And with the enthusiasm parents have for this project, there isn't any reason we can't have football for our kids."

Any interested parties should call Mitch Harmon 289-3024. Parties interested in donating in order to get little league football in Nicholas County should contact Kay Earlywine, Mitch Harmon, Larry Trussell or Jim Galbraith.

The school board then adjourned from regular meeting in order to discuss personnel and legal matters.

After re-entering into regular session the school board discussed bids for new band uniforms which included regular band, flag and field commander uniforms.

Superintendent Cebert Gilbert reiterated his concerns about ordering new uniforms before a new band director could be hired.

Many band booster parents disagreed saying any band director would be happy with new uniforms.

The board approved the measure ordering from Robert L. Kapp and Associates.

Seventy new band uniforms, 12 color guard and one field commander uniform were ordered at a cost of $16,175.30.

An associate from the firm measured band members the following school day for a tailored fit.

The uniforms will be delivered at the end of August, first of September, so the band will meet deadlines for competition dates.

The board also discussed buying a new tractor but decided to hold off on a vote until more information concerning products and pricing could be obtained.

7, and Principal Hamons to form the elementary's site-based management council for the following school year.

According to the Kentucky Revised Statutes, Section 160.345 the school council, "shall adopt a policy to be implemented by the principal in the following areas." 1. Determination of curriculum, including needs assessment and curriculum development; 2. Assignment of all instructional and noninstructional staff time; 3. Assignment of students to classes and programs within the school; 4. Determination of the schedule of the school day and week, subject to the beginning and ending times of the school day and school calendar year as established by the local board; 5. Determination of use of school space during the day; 6. Planning and resolution of issues regarding instructional practices; 7. Selection and implementation of discipline and classroom management techniques, including responsibilities of the student, parent, teacher, counselor, and principal; 8. Selection of extracurricular programs and determination of policies relating to student participation based on academic qualifications and attendance requirements, program evaluation and supervision; 9. Procedures, consistent with local school board policy, for determining alignment with state standards, technology utilization, and program appraisal.

Also according to the Kentucky Revised Statutes, some of the decisions site-based management council is allowed to make include: deciding the number of persons to be employed in each job classification at the school after a total available funds determination is made by the school board; determine which textbooks, instructional materials and student support services shall be provided in the school; and address school budget and administration, including discretionary funds, activity and other school funds, funds for maintenance, supplies and equipment; and procedures for authorizing reimbursement for training and other expenses.

The Nicholas County Chapter of the P.T.A. also elected three officers at the May 24 meeting.

Shelly Mitchell was elected first vice-president, Sue Peters as second vice-president and Jane Whalen received treasurer. The votes tallied on these offices were correct.

Terri Sallee, president of the local P.T.A., reported on the activities held during Teacher Appreciation Week.

"We wanted to recognize the effort and accomplishments of teachers, aides and bus drivers," remarked Sallee.

"They play a big part in how our kids handle their whole day and we thought they deserved a whole week of activities.

"The teachers enjoyed a treasure hunt and name game and one day apples were donated by IGA. The P.T.A. donated donuts which we had in the teachers lounge and in the bus garage (office area). "We held a rally for the teachers and on the final day we honored the teachers with a glass tree ornament and a nice writing pen," Sallee concluded.

She reiterated that through the efforts of five officers and two volunteers an October dance, Santa Shop, carnival, dinner, talent show, book fair, candy sale and teacher appreciation week were all held this past school year.

Sallee added that representation on the behalf of both teachers and parents is both appreciated and welcome.

Hast thou not known? Hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? There is no searching of His understanding.

If you've been thinking that all we can do is hand out band-aids and treat minor emergencies, we think you should take another look at our Emergency Services.

Whether it's a severe injury, chest pains, or just cuts and bruises, our Emergency Room is as modern and capable as any in the region. We are fully equipped and staffed 24 hours a day to handle any emergency. Over the years, we've seen just about every kind of medical emergency there is. In fact, our skilled professionals treat thousands of emergencies every year — right here in Bourbon County. Bourbon General might not be the biggest hospital around, but when it comes to providing quality Emergency Services, we think we're just the right size.

For more on Bourbon General Hospital, call 987-3600.

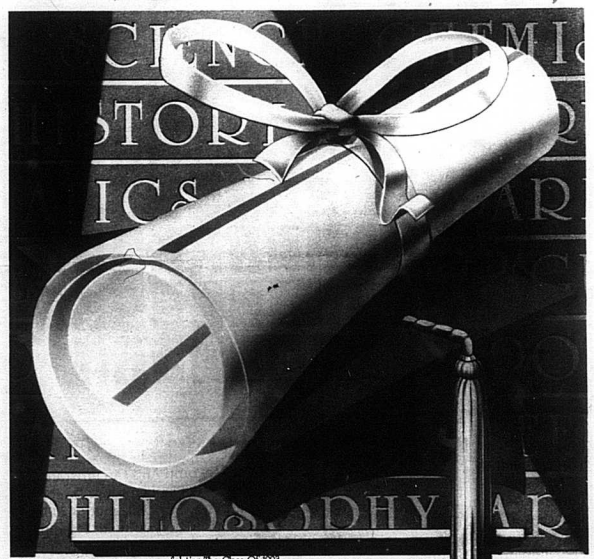
Graduation

Memories 1993



Saluting the Class Of 1993

Once again it is time to honor the students who have worked hard for many long years to to achieve the ultimate reward for their academic endeavours. Many students in this Graduating Class, while celebrating their past accomplishments and looking forward to a joyous future, will take time out to remember those who are no longer with them, but are most assuredly watching. Congratulations, Graduates!
