The time has come you thought would never be. Ending it now seems somewhat sad even though you are happy. Reminiscing about your friends and fun times both good and bad. Reach for the happiness the future can bring. It may be the end, but it's also the beginning.
We love you.

IN MEMORY OF SHANE

You brought us laughs and cheer
With every growing year
But now your time has come
And you must leave us.
You will be sadly missed
Because your smile, brought one to everyone's
Face around you.
It's hard to accept you're gone
But your memory will live on.

You left this earth so young,
And your leaving left us with sadness,
But every time we think of you, it brings
A smile to our face.

It was only yesterday
You were talking in the hall,
I remember seeing you
Standing against the wall.

With every passing day,
You will be remembered greatly
And I'll never see you,
We know you'd be doing well.

You're in the Lord's hands now.
But your memory will dwell.
