Be Sure And Be There!

We can treat more than the common cold.

hether it's a simple cold or something more serious such as abdominal pains or a heart attack, our Emergency Room is as modern and capable as any in the region - and close to home when you really need us. We are fully equipped and staffed 24 hours a day to handle any emergency. Over the years, we've seen just about every kind of medical emergency there is. In fact, our skilled professionals treat thousands of emergencies every year — right here in Bourbon County Bourbon General might not be the biggest hospital around, but when it comes to providing quality Emergency Services, we think we're just
