REBECCA'S BITS

There's been a lot of talk about cats lately among our office staff. Considering that, to most of us, pets are deemed as members of our family, our kin...

It appears that the only members of our family who can't talk. Come to think of it, maybe that's why we love them so much. No bickering is a pleasant thing, especially after a hard day at work.

My cat is C.C. Pessum, a small, fat, tabby with apricot patches on her nose and face. He is always willing to belly that wiggles when you scratch her underside.
