eliminating the negative. Oh, the discipline these girls have developed as they have learned to follow the coaches' instructions. And, oh, how the investment of discipline has returned victories for Nicholas County.

When God gave us this team and coaching staff He seasoned them with extra desire and determination along with their talent. They are unique and ball fans have been presented a most enjoyable gift and learning opportunity through them.

Many burdens have been lighter, and spirits have been

lifted as we have been allowed to enjoy the sport and the victories. Pride in our community and appreciation of one another has reached new heights.

Thanks, Lady Jackets, and
