## *A Message* To The Voters Of Nicholas County From Carl Cohorn

I've injured my back in a fall from the back of my pick-up truck. I will be in bed for some time and will not be able to come by your home to see you as I had planned. I wanted to meet and talk personally with as many of you as I could before the primary May 25th.

Our County needs a strong, honest, fair, dependable county judge-executive. I CAN provide that LEADERSHIP. I will push for a study of our county services and strive for good management and efficiency, looking for ways to eliminate waste and stretch the taxpayer's money.

For an honest, fair, dependable Democratic candidate, pull lever 10-A and
