13 classrooms in a separate building. But it all depends on us being able to make the bond program an existing money," Sen. Voss said.

"I think we need to make a decision to build the four classroom building get it done by fall," Chaver said.

"I can understand why our parents are so angry about staying here. We've got to look at it from a common sense approach. If you need money, and you need a loan, if you're going to invest money, time and make a decision, do what you must and do it right."

To: All Voters and Citizens of Carlisle and County

I want to express my deepest appreciation to each of you for electing me as your jailer. I want to give special thanks to all of the senior citizens and the other persons who worked so hard for me, and those people who drove voters to the polls.

I believe that I conducted a clean and honest campaign, and know that it is what each of you wanted and expected.

I pledge to run the office of jailer in a professional and businesslike manner to the best of my ability, and to use my best efforts to save the taxpayer's money.

Thank you, Billy Mac Gouan
